

Septemeber 12^h & 13th

HEY, FAMILIES!

What did your child learn today?

Joseph was his father's favorite son out of twelve brothers. His brothers hated him. One day, they schemed to throw him into a pit and tell their father he was dead. They sold Joseph to a caravan of traders, and he was taken to Egypt. Joseph encountered more terrible situations, but God was using every single event for good. Eventually, God would use Joseph's circumstances to place him in a position of power in Egypt, where he would save many lives.

In life, there is only one source we can always trust—God. Even when we don't understand His ways, we can trust that He is working for His glory and our good.

What does it mean to trust someone?

Get their ideas!

Why can God be trusted?

Because He is completely good,
everything God does is right and
good. He is completely faithful.

Can we trust God when bad things happen?

Yes. Bad things happen because we live in a
broken world. We can trust that God has a
plan and He is good.

Point to Jesus (the whole bible does)

Joseph was Jacob's beloved son who was mistreated and rejected. Hundreds of years later, there would be another man who was mistreated and rejected by those He came to serve. Jesus, God's beloved Son, died to save the whole world from sin. Even when the circumstances around us seem terrible, God always has a plan!
