

Lord, I need a Miracle!

But it won't be conventional

- Elder Debra Hill

Exodus 17:8-14 KJV 2 Corinthians 10:4-5

Because our battles are not natural battles, we can't think in conventional ways how God is going to do this.

We serve a God that fights in an unconventional way. A staff, sling & stone, and choir aren't conventional weapons, but they become mighty weapons in the hands of God.

- God will use whatever's available
Exodus 17

- Sometimes in your battles you don't have to provoke them, but this is how the enemy operates. You don't have to provoke him, he's coming.
- Joshua was told to raise up warriors, Pastor called the warriors. James says to call for the elders of the church, and their prayers are so powerful it's like dynamite.
- No one is called to face these battles on your own, that's why it's important to get to church.
- We've got to keep each other's hands lifted.
It's not our battle, but The battle is the Lord's.
