Psalms 34:19 KJV

Mahalia Jackson "It is well" (Song)

We complain about the burdens we bear and the things we go through but it is well with your soul. 1 Peter 2:24 KJV

I've got more work to do for the Lord, it is well with my soul. 3rd John 2:4 KJV

As we're prospering in the Lord our soul should prosper.

The original song was written by Horatio Spafford in 1873 after the death of his 4 daughters at sea following his fortune from the great Chicago fire. And sailed to meet his surviving wife.

"Whatever my lot, that thou has taught me to say, it is well, it is well with my soul."

Sometimes we're discouraged and we're saying God what is going on? When will things get better? Be encouraged, It is well with my soul.

When life flips upside down and the unexpected becomes reality, how do you stay hopeful?

The lyrics from this famous hymnal gives us a hint. No matter what happens in our lives our relationship with Jesus makes it alright.

It's all about who you know. And if we know that Father, it'll be alright. It is well saints!

2 Kings 4:26 KJV

The song wasn't written yet during this time, but you can see the correlation. When the prophet asked the women if things were well with her family, in the midst of her son being dead, her answer was "it is well." No matter what's going on in your life, no matter what you're feeling, it is well. Money is short, sometimes you can barely walk but it is well!
