Colossians 1:21-22 KJV

The world has a vast array of talents and abilities.

When we learn about something, what do we do? The bible says it's a matter of a king to search a thing out [Proverbs 25:2].

Jesus's disciples, the disciples, the chosen ones took Jesus with them on the ship.

The hinder part of the ship is the part of the ship where the navigation and steering happened.

This is usually where those who wanted to rest, could. He was there on a pillow. He wanted to be comfortable. [Mark 4:38-41]

The answer to Who Dat?

1 Peter 2:21-25 KJV & MSG

- He's the shepherd and the Bishop of my soul.
- What are you worried about? There's nothing our God can't do.
- You've got the Victory

1 Corinthians 15:57-58 KJV

- Be unmovable. If he [satan] can talk to you, talk back.
- Always abounding- throw yourself into the work of the Master. You can't expect the benefits without working.
- How can men not want to work? Jesus was a carpenter, he worked, so why can't we?
- Whatever your hands find to do... [Ecclesiastes 9:10 KJV]

Ephesians 6:10-18 KJV

- You can't just sing a war cry and begin making powerful declarations and the enemy just cross his legs and watch you.
- The bible says he's always on his job [1 Peter 5:8 KJV], so why aren't you on yours?
- So when he comes to speak to you, you've got to be ready and suited in the armor of God.

Stop Crying. Stop worrying, don't even fret. God said it's His desire that you prosper and be in good health.

[We've got the victory, hallelujah]
