Topic: When my world is upside down, God will make it turn round and round.

Text: Joshua 24:15

2 Timothy 3:1 AMP.

A sign of the end times is when man trust in himself and other men before they trust in God.

Proverbs 25:29 KJV

Psalms 37:1-4 KJV

It's not about who's in control, it's about who's on the Lord's side.

Acts- the apostles were accused of preaching the word so hard, that they turned the world upside down.

God wants us to be mindful of our prayers because in Psalms it basically says that our prayers come back like a boomerang. So we should pray positively. So that positivity comes back.

Jeremiah 29:7, Proverbs 21:1 K, 1 Timothy 1:2, Isaiah 31:1 , Leviticus :15 KJV, Matthew 27:17, 15-18 KJV, Matthew 27:20

Barabis never spoke a word that was recorded in the bible. What we know can fit into three sentences. 1. Barabis was guilty but Jesus was innocent. 2. Barabis lived but Jesus Died. 3. The Bible says that prison is where he belonged, not in the high seat in the land.

What do we do in an upside down world?

Proverbs 3:7 KJV

It's not about what we turn away from, but what we turn to.

Exodus 2:23-25 KJV

God is not forgetful like man. What God heard was the people reminding him of their covenant.

Covenant comes from the Latin term convenere- meaning to come together. A covenant is a sacred binding agreement or promise between two people. Especially in a marriage.

The covenant between a husband and wife is based on trust, commitment, and mutual obligations. The covenant binds and twists two people together. Covenants can change you. We have a covenant with God. Jeremiah 31:31-34 KJV

In the old testament every conditional covenant that God made with man was broken. When they kept being broken by man God said Prepare me a body and I'll go down as man to fulfill it. Now it can't be broken because the new covenant is between God and Man-God.

Ezekiel 26:36-37 KJV

Jeremiah 33:3 KJV (Gods Phone Number)
