It is our focus to support our church community and the businesses we have within our church. Thank you to the many businesses who supported our Youth program through participation in the 2023 Discover Church Christian Business Directory.

I'd like to extend a special word of thanks to our "Corporate Sponsors" in this year's edition, Stephanie Sosa with Keller Williams, Julia Herman of Edward Jones, Kevin Garde with Keller Williams, and Dr. Jeffery Sabatino with Mequon Vein & Milwaukee Laser & Body Aesthetics. The involvement of every business helps to reduce the costs for all of our youth who participate in events like the Fine Arts Festival and in giving to missions through Speed the Light. The Youth program could not accomplish what it does without your encouraging support.

It is our desire to see this directory become a great benefit to all of those who advertised in this as well as to those in our congregation who choose to use them. Please solicit these businesses as an expression of gratitude for their support of the Youth programs.

Blessings,

STEVE YELDELL

"Having owned real estate, both residential and investment for over 40 years, Stephanie Sosa is by far the best realtor I've ever met. She is professional, knowledgeable and personable. Whatever your real estate needs, call Stephanie!"

-Bill & Sheila Heinen

"We were so pleased with our experience having Stephanie Sosa as our realtor. From the very start, she put us at ease about the home buying process. She is very professional and she has incredible attention to detail. We always believed she had our best interest at heart, and she was patient and supportive as we searched for our new home. We would highly recommend Stephanie to anyone thinking of buying or selling a home. No one will work harder to help you find your dream home!"

Tanto & Cinthya Husain

Kevin is an outstanding agent who helped us sell our grand mothers home quickly and at the price that we wanted. I highly recommend him and will definitely be working with him in the future

Michael & Kelly Ganiere

We had 18 safe showings in 2 days amid social distancing and safer at home rules. Kevin went above and beyond to protect our family and others creating 5 offers to get our house SOLD! We were blown away!

Debra & Paul Kortman

Kevin was able to help after we tried a discount broker with no success. Kevin stepped in and sold our house the first week for a great price. We went from no offers to multiple very quickly. If you are looking for a VIP experience he is your guy!

Working with Kevin to sell our residential/commercial property was nothing short of fabulous! Kevin is knowledgeable, patient and always available for any questions you might have. His calm nature helped us feel relaxed and to trust the process! He guided us with the preparation for the sale of our property. We were shocked when we received more than we thought we could get!
