Strategic Missions Partnership

March 2024

College Student Outreach

Join us as we travel to Taiwan and work with our partners and local churches as we reach out to local college students on college campuses. We will visit English corners where students are practicing their English and are excited to engage with Americans. We will meet students for coffee or lunch to hear their story and to share with them ours about how the love of Jesus gives us purpose for today and hope for eternity. Taiwan is beautiful, exciting and ready to welcome our team.
