Turkey Strategic Missions Partnership

October 5 - 17, 2023

Community Outreach

Come reach out to people in a place where the Bible was once alive and vibrant but is now mostly lost and forgotten. Engage, build relationships with, and then invite interested people to join us at outreach events as we share with them the Good News. We will spend time in tourist areas and local parks where engaging the locals and tourists is natural and expected. We will also have the opportunity to visit and walk along the ruins of Ephesus where Paul and John preached and built the early church.
