Outreach Mission Trip

Join us as we travel to an often forgotten country in Southeast Asia whose countryside is almost as beautiful as the people. However, these people suffered greatly at the hands of the Khmer Rouge in the late 1970's and they are still reeling from the effects today.

We will be partnering with local churches as we reach out to their communities with kids programs, Bible teaching and physical outreach events to bless their families.

We will also spend time with our partners on the ground, encouraging them as they faithfully serve. At the end of our week, we will be traveling to Angkor Wat, a Hindu complex that is the largest religious monument in the world, covering 402 acres. This will be a wonderful opportunity you won't want to miss!

And even if our gospel is veiled, it is veiled to those who are perishing. The god of this age has blinded the minds of unbelievers, so that they cannot see the light of the gospel that displays the glory of Christ, who is the image of God.

2 Corinthians 4:3-4
