Community Outreach and Sharing our Stories

Middle schoolers are invited to join us (with or without their parents or grandparents) as we travel to Miami to partner with local church planters to reach out in their community and serve through backyard Bible Clubs, sports outreach and community service projects.

We will be doing community outreach events alongside several churches as we share the love of Christ and tell our stories about how God has made a difference in our lives. Weather permitting, we will also save some time to snorkel at John Pennekamp Coral Reef State Park in Key Largo. We hope you'll consider going and seeing how the Lord might use YOU to make a difference for His Name this year!
