

May 27, 2026

Dear Church Family,

This summer, our Kids Ministry would like to invite you to be part of an exciting opportunity. From July 9–13, 2026, Next Level Kidz Camp will host “Lights, Camera, Transformation!” This is the camp our students who have completed 3rd–6th grade will attend, and our prayer this year is to bring 10 campers.

For many of these children, camp may be the first time they truly experience God’s love, grow deeper in their faith, build meaningful friendships, and most importantly, come to know and understand the greatest gift of all, Salvation through Jesus Christ.

We are asking for your help in two ways:

First, through prayer. Please pray for each family considering sending their children to camp. Pray that hearts will be touched before, during, and after camp. Please also pray for the volunteers serving as sponsors, for the people we will meet at camp, and for God’s protection over all campers every single moment.

Second, we invite you to sponsor one or several children to attend summer camp. Any amount you give can make a difference and help open the door to a life-changing experience. Donations may be given in several ways:

- Through the church app, in the Giving side, by selecting “Kids Camp Sponsorship.”
- Checks can be made payable to Anderson Baptist Church with “Kids Camp Sponsorship” written in the memo line.

Thank you for your prayers, generosity, and support as we invest in the lives of young people and help lead them closer to Jesus.

Blessings,
Kids Ministry
Anderson Baptist Church
