

BUILDING TOMORROW TOGETHER

June 2, 2025

Dear Orchard Family,

I have very happy news to share with you. On Sunday it was announced that 30 of our households have already pledged \$1,376,333 to our 3-year Building Tomorrow Together ministry campaign to eliminate our mortgage! This amount pledged is way over what we could have hoped for at this point in the campaign. It's very apparent that God's vision for The Orchard is greater than our own. If everyone follows their lead, we will not only retire the mortgage but provide for several much-needed improvements including expanded parking and a second stairwell in the North Wing.

Our leaders have established a lot of momentum and excitement through their generosity. By continuing their generosity with your sacrificial gift, we will be able to achieve the vision God has for us here at The Orchard. This Sunday, June 8th, the rest of us are invited to continue the momentum.

I hope that you have been captured by the vision behind our campaign to witness to and serve our community and world. I hope, also, that you have prayed about how God might work through you to grow the Kingdom of God in our church and community, and that you have talked to your family about the difference that your gift will make in your life.

Enclosed is a pledge card for our ministry campaign. Please fill it out, insert it in the enclosed envelope, and bring it to worship this Sunday, June 8th, when we'll all dedicate ourselves anew to Christ's ministry through our prayerful commitments to Building Tomorrow Together. I hope that you'll also stay for the joyful Celebration Carnival that will follow the 2nd service. If you haven't already registered to attend the carnival, please go to our website – Orchardnh.org – and let us know you will be celebrating with us this Sunday!

If you're unable to be with us this Sunday, please return the signed card to our church's financial secretary in the enclosed envelope.

In Christ,

Pastor Ken/PK
