

GOD HAS LEFT CLUES

A 4-DAY APOLOGETICS DEVOTIONAL WORKSHEET

YOUR FILE

Name: _____ Date: _____

BIG IDEA

God has revealed Himself through what He has made, what He has spoken, and what He has done - and we can thoughtfully respond to Him.

SERIES MOTTO

"Don't be afraid of questions. Follow the evidence. Seek the truth. Follow Jesus."

START

BEFORE YOU BEGIN

Apologetics is not about arguing or proving that you are smarter than someone else. It means learning how to give reasonable reasons for what you believe and being willing to investigate difficult questions.

ONE QUESTION I HAVE ABOUT GOD OR CHRISTIANITY:

Write it down. You do not need a perfect answer yet.

CLUE 01 // DAY 1

LOOK UP

Creation Points to the Creator

READ

Psalm 19:1-4

KEY VERSE

"The heavens are telling the glory of God; and the firmament proclaims his handiwork." - Psalm 19:1

LOOK

THINK ABOUT IT

Have you ever looked at a crazy sunset, the stars, a mountain, or something incredibly complex in nature and thought, "Wow"? Psalm 19 says creation itself communicates something about its Creator. Creation is a clue pointing beyond itself.

YOUR TURN

What is something in creation that makes you think, "There has to be more to this"?

FIELD CHALLENGE

When you notice something beautiful or incredibly complex today, stop and ask: "What does this tell me about the One who made it?"

PRAY IT

God, open my eyes to see the evidence of Your glory all around me. Help me not to take Your creation for granted. Give me curiosity to ask questions and courage to seek truth. Amen.

CLUE 02 // DAY 2

YOU KNOW MORE THAN YOU THINK

God Reveals Himself Through Conscience

READ

Romans 1:19-20

KEY VERSE

"Ever since the creation of the world his invisible nature, namely, his eternal power and deity, has been clearly perceived in the things that have been made." - Romans 1:20

THINK

THINK ABOUT IT

Why do human beings care about right and wrong? Christianity says our moral awareness makes sense because there is a God who is good and who created us in His image. Our conscience is not perfect, but our sense of justice can be a clue that points beyond ourselves.

PICK A SIDE (OR BOTH)**Which do you think is stronger evidence for God?**

- A** The complexity of the universe **B** Our sense of right and wrong **C** Both

FIELD CHALLENGE

Ask yourself: "If God did not exist, where would objective right and wrong come from?" You do not need to have the perfect answer.

PRAY IT

God, thank You for giving me a mind that can ask questions and a conscience that recognizes right and wrong. Help me pursue truth even when the answers challenge me. Amen.

CLUE 03 // DAY 3

SHOW ME

God Does Not Fear Evidence**READ****1 Kings 18:20-39****KEY VERSE***"The LORD, he is God; the LORD, he is God." - 1 Kings 18:39***WATCH****THINK ABOUT IT**

On Mount Carmel, Elijah did not tell Israel to stop asking questions. He told them to watch. The contest with the prophets of Baal gave the people an opportunity to see what happened. Christianity is also willing to be investigated. You can ask hard questions about Jesus, the Bible, history, miracles, and the resurrection.

WRITE IT DOWN

What is one question about Christianity that you have always wondered about?

FIELD CHALLENGE

Do not hide your question. Investigate it. A difficult question is not automatically a threat to your faith; it can be the beginning of a deeper faith.

PRAY IT

God, thank You that You are not afraid of my questions. Give me courage to seek truth instead of simply believing what everyone around me says. Help me know You more deeply. Amen.

CLUE 04 // DAY 4

WHAT WILL YOU DO?

Knowing About God Is Not the Same as Following God

READ

1 Kings 18:21

KEY VERSE

"How long will you go limping with two different opinions? If the LORD is God, follow him." - 1 Kings 18:21

DECIDE

THINK ABOUT IT

The Israelites had evidence of God's power, but they still had to decide whether they would follow Him. You can believe God probably exists and still live as though He does not. Evidence can point us toward God, but we still have to respond.

MY RESPONSE

I believe God is real because...

One question I still have is...

One thing I want to know about Jesus is...

One way I can follow Jesus this week is...

FIELD CHALLENGE

Think of one person who does not believe in God. Instead of trying to win an argument, ask a question and listen. Try: "What do you think about God?"

PRAY IT

Jesus, I do not want to simply know facts about You. I want to know You. Give me confidence in what I believe, humility when I do not have an answer, and courage to share my faith with others. Help me follow You with my whole life. Amen.
