

DEAR PARENTS,

This week, we're so excited to open the very first book of the Bible, Genesis, and discover God's amazing creation! Preschoolers love to create. Whether they're building with blocks, drawing pictures, or making something new, they can't wait to say, "Look what I made!" Throughout this month, we'll discover that **God is the greatest Creator of all**. He made the sun, the moon, the animals, the flowers... and He made your child too! As you explore the story of creation together, remind your child that they are deeply loved, wonderfully made, and an important part of God's amazing creation.

♥ **GOD MADE ME WONDERFUL.** ♥

Let's learn God's word! We have a new memory verse this month! Practice it together **4** times this week and color one new picture of something God created each day!

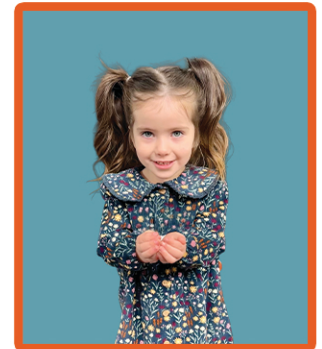

"HOW YOU

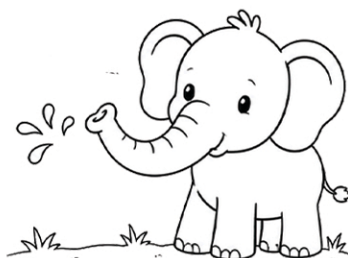

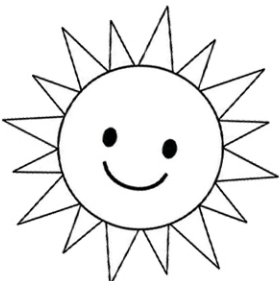

MADE ME

**IS AMAZING
AND WONDERFUL."**

PSALM 139:14
