

DEAR PARENTS,

This month, we're discovering that God made us wonderful! As you read about God's amazing creation together in Genesis 1:1-31, remind your child that they are one of God's most special creations. Point to their little hands, tiny toes, bright eyes, and big smile as you thank God for making them just the way they are. Throughout the week, remind your child of this wonderful truth:

♥ **GOD MADE ME WONDERFUL.** ♥

Let's learn God's word! We have a new memory verse this month! Practice it together **4** times this week and each time you practice, color a picture of something God created!

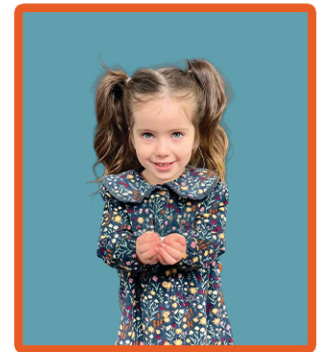

"HOW YOU

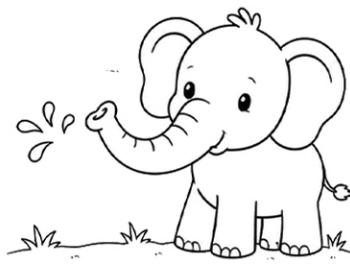

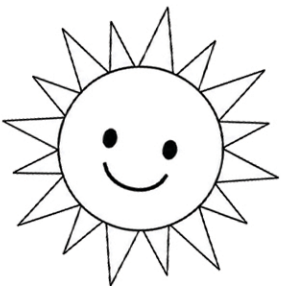

MADE ME

**IS AMAZING
AND WONDERFUL."**

PSALM 139:14
