

BABIES/TODDLERS

SEPTEMBER 6

This month our babies and toddlers are learning all about **Daniel being brave and trusting God to keep him safe.** He loved and obeyed God in everything he did.

This week spend some time reciting this verse to yourself and your child.

When you're washing the dishes: **do it for the glory of God.**

When you're changing a messy diaper: **do it for the glory of God.**

When you're praying for your child: **do it for the glory of God.**

DANIEL LOVED AND OBEYED GOD.

God kept Daniel safe.
We can love and obey God, too!

PRACTICE THIS WEEK

POINT UPWARD!

Teach your child to point up when you talk about God. It will help them learn the motions for their memory verse!

PRACTICE PRAYING.

Help them fold their hands and practice a quiet mouth while you pray together.

A PRAYER FOR THIS WEEK

Dear God,

Thank You for blessing me with my child. Help me model loving and obeying You this week, even in the everyday, simple things.
Help my child learn to trust You.

Amen.
