

BABIES/TODDLERS

Week of September 20

DANIEL PRAYED TO GOD.

READ TOGETHER — DANIEL 6:10

Daniel prayed to God every day. Even when praying to God became dangerous, Daniel continued to talk to Him.

Your little one may not understand everything you say when you pray, but they are already learning what prayer looks and sounds like by watching you.

THESE LITTLE HANDS CAN PRAY.

Trace your child's hand inside the box.

These little hands can learn to pray.

As you trace their hand, say:

"We can talk to God anytime!"

TALK ABOUT IT

We glorify God when we **love and obey Him**.

Daniel glorified God by continuing to love, obey, and pray to God.

THIS WEEK:

Look for little moments to say, **“We can do this for God!”** as you play, eat, help, clean up, or get ready for bed.

A PRAYER FOR PARENTS

Dear God,

I pray that my child will grow up loving and obeying You. Help them see that love and obedience modeled in me.

Make me a parent who models faithful devotion and steadfastness to You in everything.

Give me wisdom as I teach my child to love, trust, and obey You.

Thank You that we can talk to You every day, at any time.

In Jesus' name, amen.
