"And a vision appeared to Paul in the night; There stood a man of Macedonia, and prayed him, saying, Come over into Macedonia, and help us. And after he had seen the vision, immediately we endeavored to go into Macedonia, assuredly gathering that the Lord had called us for to preach the gospel unto them." Acts 16:9-10

Dear Northwest Baptist church Pastor Darren and our other supporting churches;

Beloved brethren, we hope you are well and being blessed. We thank God always for the opportunity to serve him.

We have been working this last month on the construction of the kitchen of the church building in corpo Cristo and we had our family camp. It was a beautiful time for the brethren. All enjoyed and participated in the different spiritual and recreation activities. We had good services, sermons and participations of the brethren of the different works in which we are working. In Corpo Cristo it is a joy to see the happy brethren when we visit them in their homes, share with them a little of the word, talk about their tasks and needs and pray together. We want to ask for prayer for a family we shared the gospel with last week and on Sunday they visited us at the mission in corpo, the name is Arcelio with his wife and son.

We ask prayer for some people that Gabriela and I visited last month where we saw possibilities of working and carrying the gospel to them. Places few churches visited before, churches with sound doctrine like ours and places with many needs. The towns are, Chinina, El Tigre and Santa Cruz, in the area of bayano, tres ravines and union santeña.

We thank God for a young woman named Meylis who accepted the Lord in Platanilla in Darien. Pray for her and her health since she suffers from a disease in her knees that prevents her from walking without a walker. Still, every time we visit her she waits for us to study the word with joy. We continue with the services in Rio Bonito de Darien.

I want to thank you for praying for my health, I already feel much better, the treatment is helping me and I feel better so I can work more easily. I ask you to keep praying for Gaby's knees, she has pain all the time.

Thanks to God I have the visa to go to the U.S. and we are waiting for Gaby's Visa. Hopefully soon if God permits. It is our desire to meet you and shake your hands personally and share with you, our home church.

Thank you for the prayers and financial support and to the other churches that support us also thank you and may God bless you always.

Greetings to everyone.

Andres and Gaby.
