January 2026

Dear Brethren,

I would love to have had AL GORE, the one who promotes GLOBAL WARMING, come up for the past two weeks and experience the -50 and -60 degrees we have had at the house, and listen to him try to explain it away!!! As we ALL KNOW it's a big LIE!

This has been a long, cold, dark winter filled with ice fog, whiteouts, etc. Last January we were sick with upper respiratory junk, and this January is the same for me!!!

What do you do during this time of the year? You stay warm!! Everything tries to stop or break down!! You must keep your house WARM!! YOUR vehicles MUST be ready to crank at -60 degrees in case of emergency.

Getting sick for 3 weeks and keeping the house warm are normal things you deal with but that's not the TEST!!

What would be your TEST UP HERE? I am sitting outside in the car at the dental office where my wife Bev is having dental surgery (the dental people don't want me, and I don't blame them) and thought NOW IS THE TIME to talk about the TEST!

I spoke to Moses who is our contact in the ministry in Alaska around Christmas and he said essentially, don't come. I have heard the same thing from every native that we have dealt with. I will be talking more with Moses! The others just went off the deep end into sin's abyss!!

You must ask why are you here! Is it for the native people?! Remember what Jesus said, you will be hated!!

The TEST is simple. I am here because GOD CALLED ME HERE AND I ANSWERED THE CALL and we are still here!!

We have seven villages that we are preparing to take the Gospel to this June, with a group of folks from Rodgers Baptist Church.

When I get on the good side of this respiratory infection, we are planning to cover CHENA HOTSPRINGS ROAD WITH THE GOSPEL!! We want to establish Bible studies. We want to continue to reach the villages with the GOSPEL in Alaska that have not been contacted! Most have been contacted!!

We need LOTS OF PRAYER!!!

WE ALL NEED TO BE STRONG IN THE LORD!! WE NEED TO ENDURE HARDNESS! We don't know what is coming in 2026, but we KNOW ALMIGHTY GOD AND HE GIVES THE VICTORY!!!!

Pray for us and especially my wife that she will have a healthy year!

Thank you for your faithful support!!
I LOVE YOU ALL!!

Bro. Hampton
