**2 Peter 1:2-3** Grace and peace be multiplied unto you through the knowledge of God, and of Jesus our Lord,  
**3** According as his divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue:

**Brethren,**

**September - November 2025**

We made it back home! It was a long trip, but mostly uneventful. We praise the Lord for traveling mercies. We flew into Miami and then drove to Edmond, Oklahoma.

September was a bit busier than usual for us. We continued our normal bible studies and ministry activities while Liz began her Junior year in the Abeka Academy, we situated everything in Brazil for our long absence, and prepared all we needed for our return to the States.

We arrived in Oklahoma on October 2nd. It was a whirlwind month too as there were many things to do on our arrival. Passports, phones, storage, and family visits, as well as catching up with friends, to name a few. I was thankful for the opportunity to preach at our home Church's anniversary Sunday. It has been great catching up with church members and meeting new ones as we have been staying next door at our church's mission house.

In November, we started our furlough meetings by driving up to Ohio. We are pretty booked up until June visiting our supporting churches. This makes schooling difficult for Elizabeth, but she and Amanda are adjusting. Speaking of adjusting, please continue to pray for our son Samuel. He has decided to come along with us on our furlough but will be settling down in Edmond afterwards. We are in the process of getting him and Liz ready to get their driver's licenses before we leave.

Chris and His family are continuing the bible studies and ministry in Brazil. Please continue to pray for the Lord's work in Belém. Please also pray for Amanda as she injured her foot. She is already doing much better but it has slowed her down more than she would like. We are looking forward to seeing everyone soon.
