Fall Equip Classes

Description

Godly Men

With Joby Martin (facilitated by Brandon O'Dell and Chris Weaver)

God has created men to have incredible strength. But today's culture has hijacked masculinity, distorting strength into passivity and abuse. This Bible study series invites men to embrace God's definition of masculinity and to step into His calling upon their lives to wield their strength on behalf of others. God has designed men to be protectors, providers, and defenders. When men act like men, everyone flourishes.

Women Helping Women

With teaching from Paul Tripp (facilitated by Lauren Welch and Delynn Mabry)

What does it look like to live as a woman of faith? And how can women encourage and comfort other women, stirring one another to love and good works? God has not called you simply to be a recipient of His transforming grace, but to be a participant in the work of that transforming grace as Christ's ambassador. In Women Helping Women, learn how you can be an instrument of grace in the life of another woman!

Doing Life with Your Adult Kids

With teaching from Jim Burns (facilitated by Pastor Craig)

If you have a college student or older adult child, you know that parenting doesn't stop when a child reaches the age of eighteen. In many ways, it gets more complicated. Both your heart and your head are as involved as ever, whether your child lives under your roof or rarely stays in contact. This study helps you navigate the toughest and the most rewarding parts of parenting grown kids and is a unique resource on your changing role in a calling that never ends.

Essential Theology

with speakers from Passion Equip Ministries (facilitated by Tony Richardson)

Essential Theology helps believers think about and understand the central doctrines of Christianity. So many believers today wrestle with big questions about what it means to be a Christian, questions dealing with who God is, who Jesus is, and what exactly salvation is. This course has attempted to boil down the necessary truths for the seven orthodox doctrines of faith:

• **Trinitarianism**: Who is God? • **Bibliology**: What is the Bible?
• **Hamartiology & Humanity**: What is sin and who are human beings?
• **Christology**: Who is Jesus? • **Soteriology**: What is Salvation?
• **Ecclesiology**: What is the Church? • **Eschatology**: What happens at the end?

Designed to help build an approachable but firm foundation of right doctrine in each of these areas, you will walk away with helpful handles that you can use not only to know what you believe, but also to continue building upon.
