Fall Equip Classes

Description

Us in Mind

with Ted Lowe
(facilitated by Lee and Annie Gunter)

Research shows happy couples think in a way unhappy couples don't. What if you could ensure your thoughts were setting you up to love well? You can. In this study, you will discover, through Scripture, research, and neuroscience, a simple way of rethinking your marriage with a focus on just Five Thoughts that are designed to help you love well, even when it is not easy. Be assured this series is not a bunch of stuffy lectures. It's full of humor, real-life examples, and practical application. You can change your marriage by changing your thoughts, and it's simpler than you think.

Navigating Your Finances

(facilitated by Bill Duyck)

This study has become a repeated part of the discipleship plan at Faith Baptist because of its significant impact on family and personal financial success. It will equip you to improve your life and your finances by giving you an overview of how to handle money God's way. As you begin applying these principles, you'll experience financial health and freedom, putting you on the right track for your financial discipleship journey. Topics include understanding God's part and our part, debt, savings, generosity, investing, handling crisis, and more.

Together

with Sadie Robertson Huff & Christian Huff
(facilitated by Russell & Katie Hill)

We are wired for relationships. But relationships are anything but easy to maintain—even close friendships can fall apart. In a world where people quickly write each other off, where isolation has become the norm, and marriages dissolve overnight, what is God's hope for our relationships? In this series, Sadie and Christian Huff will dig into God's Word to show us how to live holy and healthy lives together—with God, with our close circle, and in our community.

Essential Theology

with speakers from Passion Equip Ministries (facilitated by Tony Richardson)

Essential Theology helps believers think about and understand the central doctrines of Christianity. So many believers today wrestle with big questions about what it means to be a Christian, questions dealing with who God is, who Jesus is, and what exactly salvation is. This course has attempted to boil down the necessary truths for the seven orthodox doctrines of faith:

- **Trinitarianism:** Who is God? • **Bibliology:** What is the Bible?
- **Hamartiology & Humanity:** What is sin and who are human beings?
- **Christology:** Who is Jesus? • **Soteriology:** What is Salvation?
- **Ecclesiology:** What is the Church? • **Eschatology:** What happens at the end?

Designed to help build an approachable but firm foundation of right doctrine in each of these areas, you will walk away with helpful handles that you can use not only to know what you believe, but also to continue building upon.
