The Gathering Place: A New Space for Bethany Church

Bethany Family,

I am so excited to announce that our renovation project is coming to an end! It has been a long road, taking almost a year and a half from conception to completion. Thank you to the members of the multiple committees who have made this possible through their time, wisdom, and insight. We appreciate each of you!

Thank you to everyone who donated their time and finances to this project. We raised nearly all the money needed to complete it. Thank you, Bethany Church, for making this possible!

We also had volunteers paint, fix minor electrical issues, pot plants, and install new drop ceilings. Each volunteer has been invaluable in bringing this project so close to completion.

The space officially opened on Sunday, November 1, for the 10:30 A.M. service. We still have some minor work to complete, including the arrival of some Amish furniture and the installation of signs. It will take the rest of the year to bring all these final pieces together.

If you remember, we voted on names for our new space, and the winner was "The Gathering Place." Moving forward, we will refer to this space by that name.

(continued on page 2)

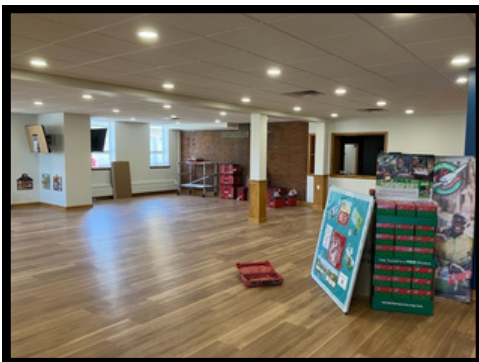

As this project begins to move into the rearview mirror, I want to take a moment to remind each of us why we undertook this project in the first place. We identified three major needs we wanted to address.

The first was to create a welcoming first impression for people visiting our church, whether on a Sunday morning or for an event during the week. The arrival and departure flow has been eased. New people will be able to relax and settle into the space while they wait for the service to begin. They will also have opportunities to meet people who are already part of the Bethany family.

At the same time, The Gathering Place will serve as a fellowship hub for everyone at Bethany Church. This was the second reason we decided to renovate. It is our hope that you will grab a cup of coffee, come early for Sunday school or church, and connect with others. You can also stay after church to continue those conversations. In fact, I want to challenge you to think of someone, perhaps someone you do not know very well, or someone you have not connected with in a while and ask them to meet you before or after the service to catch up. There are a lot of new faces around the church, and it takes intentionality to meet people and get to know them!

Finally, the third reason we decided to renovate was to create another space for meetings and discipleship. The Gathering Place can be used for Bible studies, group events like Mom's Night and after-church events like Graduation Sunday. It is also available for birthday parties, baby showers, and other small gatherings. When you are making your plans, don't forget that this space is available! In this way, The Gathering Place will help us fulfill our mission of Serving the Community, Sharing the Gospel, and Making Disciples, all to the glory of God!

Blessings, Pastor Bob

The Gathering Place

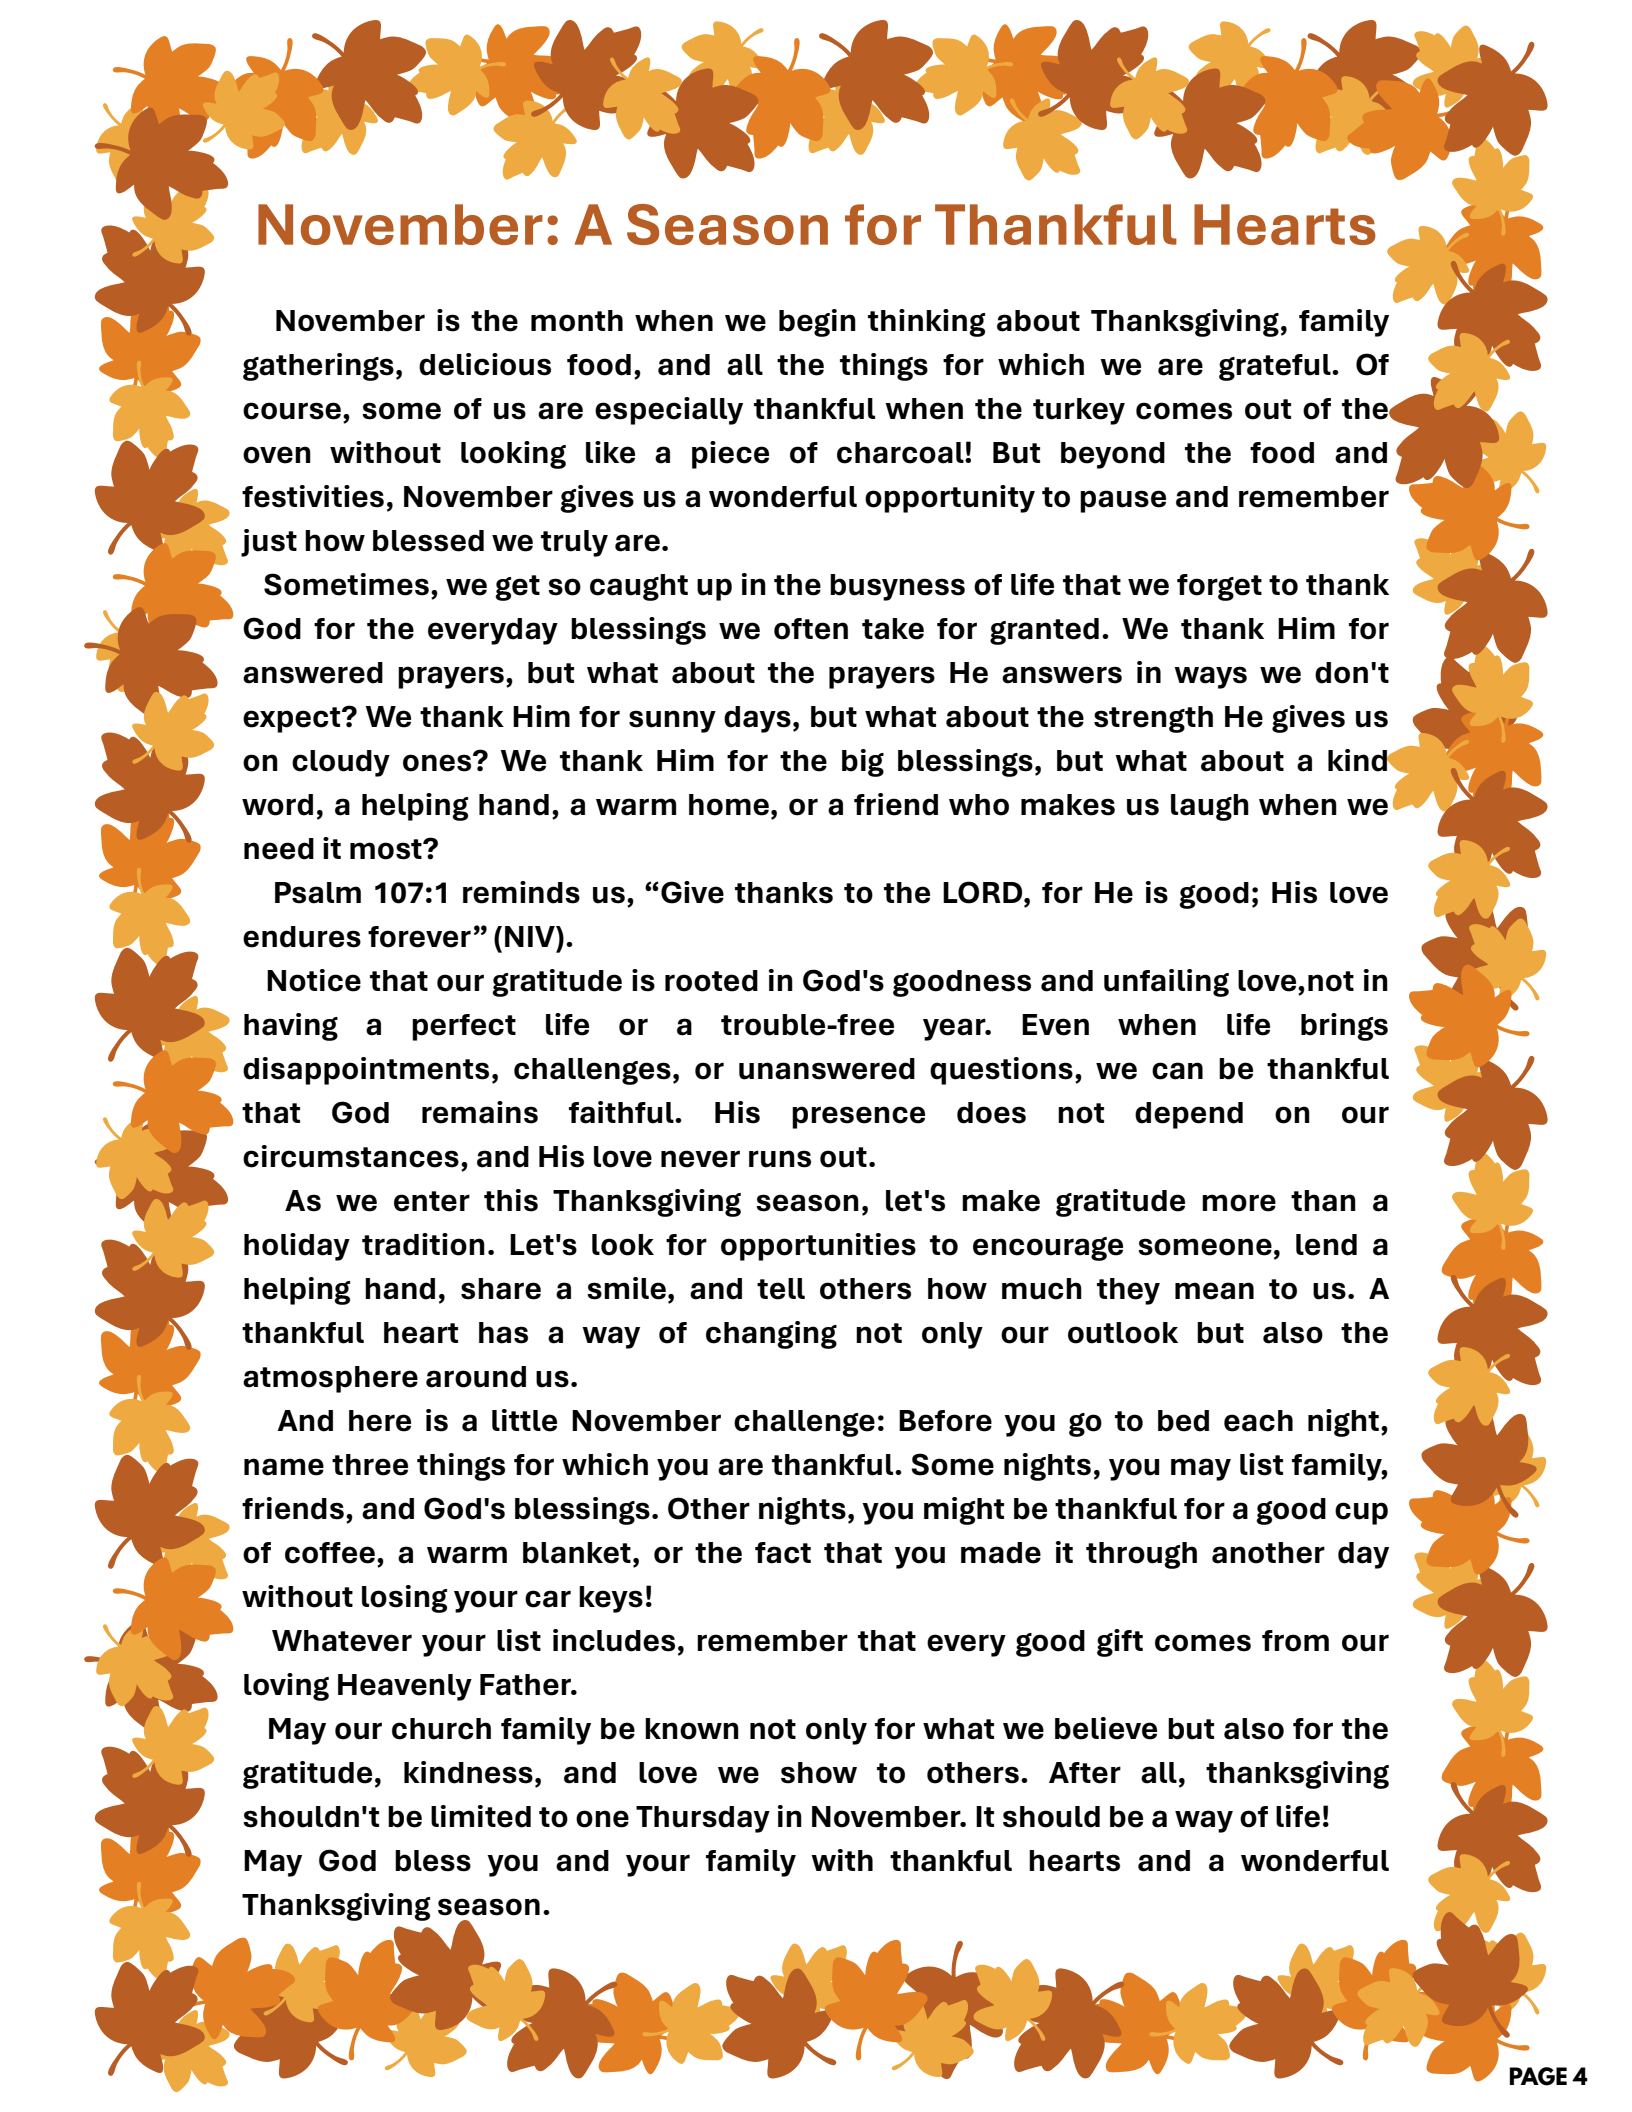

AT BETHANY

On Columbus Day, the Deacons prepared a vegetable soup/sandwich luncheon for Seniors. About twenty-eight Seniors attended. Several delicious desserts were also served. Jane Deitrick played several hymns. "Name That Tune" was played and other hymns were sung. Tami Iman was honored as a Fifty-Year Member of Bethany. Several attendees won centerpieces. Everyone enjoyed the day!

*Congratulations,
Tami Iman!*

November: A Season for Thankful Hearts

November is the month when we begin thinking about Thanksgiving, family gatherings, delicious food, and all the things for which we are grateful. Of course, some of us are especially thankful when the turkey comes out of the oven without looking like a piece of charcoal! But beyond the food and festivities, November gives us a wonderful opportunity to pause and remember just how blessed we truly are.

Sometimes, we get so caught up in the busyness of life that we forget to thank God for the everyday blessings we often take for granted. We thank Him for answered prayers, but what about the prayers He answers in ways we don't expect? We thank Him for sunny days, but what about the strength He gives us on cloudy ones? We thank Him for the big blessings, but what about a kind word, a helping hand, a warm home, or a friend who makes us laugh when we need it most?

Psalm 107:1 reminds us, "Give thanks to the LORD, for He is good; His love endures forever" (NIV).

Notice that our gratitude is rooted in God's goodness and unfailing love, not in having a perfect life or a trouble-free year. Even when life brings disappointments, challenges, or unanswered questions, we can be thankful that God remains faithful. His presence does not depend on our circumstances, and His love never runs out.

As we enter this Thanksgiving season, let's make gratitude more than a holiday tradition. Let's look for opportunities to encourage someone, lend a helping hand, share a smile, and tell others how much they mean to us. A thankful heart has a way of changing not only our outlook but also the atmosphere around us.

And here is a little November challenge: Before you go to bed each night, name three things for which you are thankful. Some nights, you may list family, friends, and God's blessings. Other nights, you might be thankful for a good cup of coffee, a warm blanket, or the fact that you made it through another day without losing your car keys!

Whatever your list includes, remember that every good gift comes from our loving Heavenly Father.

May our church family be known not only for what we believe but also for the gratitude, kindness, and love we show to others. After all, thanksgiving shouldn't be limited to one Thursday in November. It should be a way of life! May God bless you and your family with thankful hearts and a wonderful Thanksgiving season.

Get Ready Bethany Church. It's time again for the Operation Christmas Child shoebox collection! Official OCC shoeboxes will be available in the Bethany Church lobby. Please consider packing a shoebox, include a \$10 donation for shipping, and plan to bring your shoebox back to the worship service on Sunday, November 15, when we will dedicate all shoeboxes collected. Last year, 12,200,000 shoeboxes were shipped across the globe, so please plan to participate and help bring the hope of the Gospel to the ends of the Earth! (See next page for more information.)

Bethany Church Recognized by Operation Christmas Child

On Sunday, October 25, 2026, Bethany Church was recognized by Operation Christmas Child, a division of Samaritan's Purse, for 5 years of partnership as an official drop-off location for shoeboxes donated by other churches and individuals in Mercer County. In total, Bethany Church has processed 4,095 shoeboxes since 2021.

Of course, Bethany Church has participated in the Operation Christmas Child shoebox ministry for decades, but now our congregation helps collect, pray over, pack in shipping cartons, and transport shoeboxes to the central drop-off location in New Castle, PA.

"Your love for the Lord Jesus Christ is demonstrated through your service and compassion for others. God bless you for making a difference in the lives of children and their families through Operation Christmas Child." – Franklin Graham, President, Samaritan's Purse

Jim Urban and Stephanie Kobialka from Operation Christmas Child's Central Drop-off Team present a 5-year recognition plaque to John Inman, Bethany Drop- Off Team leader.

Dear Bethany Friends,

We continue to prepare for this year's Operation Christmas Child Dedication Sunday that will be held on November 15 during the 10:30 a.m. Worship Service when we will collect and dedicate shoeboxes.

Bethany Church members and friends have been part of this program for many, many years by donating hundreds of shoeboxes as well as donations towards The Greatest Journey – a 12-week lesson discipleship program for shoebox recipients.

Please consider packing a shoebox, include a \$10 donation for shipping, and bring your box to worship on Sunday, November 15. If you are unable to shop, and would like to participate, you may pack a shoebox online. The cost is \$30.

Hello Bethany Family!

The teens have been super busy as they finish up the first quarter of the school year!

Shout out to all of our seniors in Fall activities:

Karleigh Heckathorn- Soccer

Alex Mitchell- Marching Band

Elsea Moeller- Cross Country

Emma Stelter- Marching Band

Since the start of the school year, we have been diving into our new series for Sunday School and Youth Group. In Sunday School, we have started our dive into the Gospel of John, learning about who Jesus is, who John the Baptist is, and what their ministries are all about! The Youth Group has been Journeying Through Genesis, going story by story in Genesis, learning about how God reveals Himself, His nature, and man's nature.

In October, the Bridge program and the Youth Group teamed up and took a trip to Irons Mill Farmstead to enjoy the corn maze and other attractions there!

November hosts a lot of fun for us in Youth! On Sunday, November 22nd at 4pm, we are having our Friendsgiving Dinner to coincide with our normal Youth Group! That following Saturday, November 28th, we are having our Christmas Decorating Day in the Manse. We are going to go shopping at Kraynak's, come back to the manse and decorate, bake some Christmas Cookies, and end the evening enjoying our cookies with hot chocolate and a movie!

As we are starting to enter the beginnings of the heaviness of the school year, please continue to pray for our teens. Pray that they stay strong in the Lord, and look to Him for guidance, comfort, rest, and security. Pray for our teachers, administrators, and all school staff, as well! Micah Wojnowski

Sometimes life can be very hectic and busy... making car care not being the center of attention. Last year, it was decided to offer a Car Care Day to our single women and widows of Bethany Church. We think it's a good practice to have someone look under the hood once in a while.

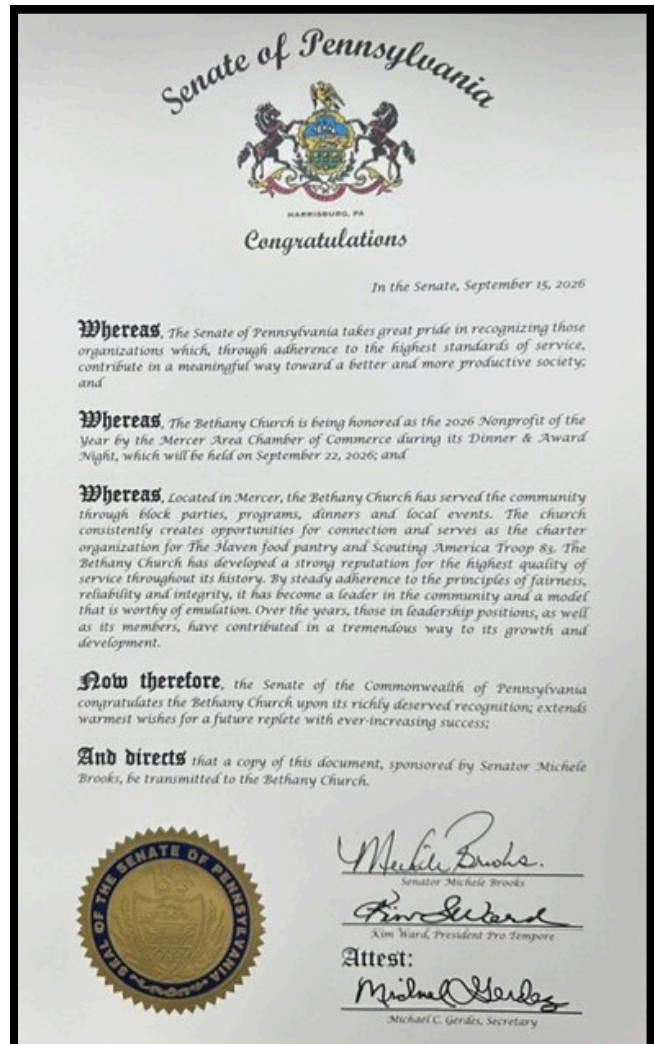

These autos today are subjected to a lot of heat under the hoods and are very complicated and require a trained eye to detect small problems before they become major issues. Our team did an excellent job to help these vehicles make it through the winter months.

Bethany's 2nd annual Car Care Day was September 29th, and it went extremely well. With co-operation from the weather and our clients being on time, we were able to service seven cars in just under two hours, making the evening a success.

Some of the issues we uncovered were low tires, bad tires, low oil, low brake fluid, minimal temp anti-freeze, low radiator levels, bad wiper blades, foggy headlights, expired inspection stickers, and engine warning lights on. Many thanks to our team of techs that were able to inspect tire tread depth, adjust tire pressures, check anti-freeze and adjust if necessary, check and adjust all levels of liquid under the hood, check all exterior lighting and wiper blades, scan engine lights, make recommendations, and vacuum out the cars interior.

Many thanks to our team of volunteers who worked tirelessly and professionally to accomplish these tasks: Norm Bender, David Best, Ed Lindey, Dale McQuown, Mark Muehlman and Sam Smith .

Congratulations Bethany Church!

Seeing students holding their new supplies and uniforms is a special part of the beginning of every school year. Each school uniform is sewn by hand in Sierra Leone, and students also receive school supplies like books, notebooks, and pens.

If you sponsor a student or give to EduNations, this is one of the many ways your generosity reaches our students. Thank you for helping provide the practical things they need as they return to the classroom.

18 New Bicycles

Many of our students know what it's like to travel a long distance to school each day. This month, 18 students at our Junior Secondary School in Rokassa received bicycles to help them travel from their communities to school. Our staff in Sierra Leone shared how joyful the students and their parents were as the bicycles were distributed. We're so grateful for the donors who provided these bicycles. Thank you for helping make the trip to school a little easier for our students!

Session 2 started on September 22nd and finished on October 13th , for a total of four classes with six great participants. It has been a joy to work with the men and women who signed up through The Haven. Each week they prepared two recipes, such as Meatloaf using ground chicken, Waldorf Salad, Chicken Divan, and Graham cracker crust pie. A big hit was Beef (chicken) barley soup. Many of the recipes incorporated food items that are often distributed through The Haven.

Not only do the participants enjoy creating new dishes, which they are able to take home following the class, but the Bethany volunteers have been blessed as they work along side this special group. Each week they go home with a give-away such as cinnamon, garlic powder, or a jar for salad dressing, and of course copies of the recipes.

The Lord has made us aware how special the group has become to us and to each other. During a recent class we were made aware of how the individuals have been touched when one of them commented, “It’s not just about the cooking.” God has definitely been at work.

Five of the ladies joined us for “Soup and Encouragement” and enjoyed the food and fellowship. It was also an opportunity for all of us to meet Jen’s five-month-old son. So special!

As we ended the last class of Session 2, we sampled Chicken Divan and a salad topped with homemade salad dressing. Pastor Bob and Sue Allen joined us and shared the wonderful salvation gospel, as well as, making sure that each one knows they are welcome to join us for Sunday morning worship and other activities. They were also each given a final gift consisting of a microwave cozy (so nicely made by Mary McElfresh) wrapped around a whisk. We were also blessed to have Amy Hayes join us as a fill-in. Her skills and sweet personality were a welcome addition. God is Good and it is always a blessing to serve Him.

FAMILY FUN NIGHT

Family Fun Night Was a Success!

Our second annual Family Fun Night at Olympic Fun Center was a huge success! We loved spending time with our community, making memories, and having fun together. From roller skating and laser tag to climbing the rock wall, there was something for everyone—even some of our “grown-ups” made it to the top and rang the bell! We’re so thankful for opportunities like these to connect with our community and enjoy time together. We can’t wait for next year!

OLYMPIC FUN CENTER

The Haven of Mercer is Growing!

We are deeply thankful for the Lord's blessings at The Haven over the past year. To expand our food storage capacity, we recently added a large chest freezer alongside our existing three units. We are also excited to share that Dollar General has joined Sheetz and Country Fair as a valued partner in providing food for distribution. Most inspiring of all, many community members continue to return and share wonderful testimonies of how God has answered prayers lifted up by our prayer team.

We are deeply encouraged by the growing reach of our ministry over the past year. In September 2025, we assisted 54 households facing food insecurity—supporting 31 children, 44 adults, and 41 senior citizens, totaling 116 individuals. By September 2026, that number grew to 80 households, serving 48 children, 83 adults, and 59 senior citizens, bringing food to a total of 190 people. God is truly at work in our midst. We extend our sincere gratitude for your unwavering support over the years—whether through faithful prayers, food donations, financial giving, or hands-on volunteering.

As our outreach continues to expand, we warmly invite you to join our volunteer team. Serving together offers a joyful opportunity to honor the Lord, build meaningful connections with our neighbors, and share in the abundant blessings of this ministry.

Serving the Lord with you,
Sue and Katie

THE REASON FOR GOD

Belief in an Age of Skepticism

by Timothy Keller

Bethany has this book available in our library. The author addresses the frequent doubts that skeptics, even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one.

You’ve probably heard the phrase, “Have an attitude of gratitude.” Well, while it might be easy enough to say, it may beg the question, what exactly does it mean, look like, and how do we live it out?

As Christians, developing an attitude of gratitude or thankfulness is so much more than just a basic expression of appreciation. It’s more about being intentional in our efforts, praising and rejoicing in our God — in all things and at all times.

Let’s unpack some verses and see what God’s Word says about having an attitude of gratitude and giving thanks. 1 Thessalonians 5:18 tells us to give thanks in all circumstances. Colossians 3:17 tells us to give thanks to our Father in both word and deed.

Psalms 136:1 tells us to give thanks because the Lord is good, and His love endures forever. There are countless other verses beautifully woven throughout Scripture on giving thanks to our awesome God.

Friend, we have the opportunity and honor to rejoice in our Lord every single day. What a privilege it is to be able to commune and celebrate all the amazing wonders of our God!

If we take a moment to look around us and let it soak all in, it can be truly humbling. We quickly realize that our God deserves our praise and is worthy of thanks.

The truth of the matter is, that giving God our thanks is all about the posture of our heart. Regardless of our feelings and circumstances that are fleeting and can change in an instant, giving God our heart full of thanks, even if it carries a heavy load and burden, opens up an invitation to sense His presence and see how He is moving in our lives.

It allows us to let go of all the things we are trying to control and surrender our lives to the One who controls everything.

So, are you ready to give thanks to God today and each day going forward? Well then, here are seven things you can start with, and allow it to grow from there because we sure do serve an awesome God, and we have so much to be grateful for!

From the monumental things that God blesses us with to the minuscule things that we often take for granted, let’s open up our hearts, and be filled with an attitude of gratitude.
