Living Hope

welcome

IF YOU ARE VISITING WITH US TODAY, WELCOME!

We know that going somewhere new on a Sunday often involves some anxiety. To help you relax and enjoy the service, we suggest the following:

SUNDAY SERVICES

Our services are normally about 75 minutes long and involve worship in song, prayer, and teaching from the Bible. Most of our people stand with the worship team when we sing, but we encourage you to enter into worship in whatever posture is comfortable for you.

CHILDREN'S MINISTRY

We offer care and classes for 6 months - 5th grade in the morning services and 6 months - 5 years old in the evening service. Children are always welcome in worship, too. There is a Cry Room in the back if you'd like privacy for nursing or your little one needs some wiggle space.

Please go to the Fellowship Room for more specifics on our Children's Ministry and to get your children registered and checked-in. Children will be dismissed partway through the service.

Upcoming

FAMILY SUNDAY

Today! Children's Classes

Today is Family Sunday in our morning services. This means that there will not be any classes for elementary students. Classes will be provided for little ones ages 6 months - 5 years old. We enjoy and see the value of having our children be part of the whole worship service. Even though there might be a few more wiggles or noises, we like having families worship together. It also gives our regular Children's Ministry teachers a break to enjoy the service. Sermon notes for kids are on the table in the entryway.

CAMPOUT SCHEDULE

Sept 4-7 | Hidden Lake

The camping schedule is available on our website in the events tab. Come join us for a day or the whole weekend for games, campfires, fellowship, and food! If you are camping, please check in with Drew Dickson (The guy in a cowboy hat.)

SERMON NOTES ON PGC APP

We have an interactive digital version of the sermon notes on the PGC App. Answers filled in correctly turn green with an autofill option as well. To save the notes for further reference, click the "email" button at the bottom to send them to yourself.
