Long Range Planning Team Presentation

10 Ingredients of a Healthy Church

5. A Commitment to Loving and Caring Relationships
1 John 3:16
6. Servant - Leadership Development
Ephesians 4:16

II. Commitment to Loving and Caring Relationships

A. Typical needs for healthy sense of self:

1. To be loved, affirmed, and accepted by significant others
2. To be guided and directed by authority figures through life
3. To belong to a group, or attachment by birth or adoption

B. The Christian Experience Overlay:

1. Loved and accepted by God
2. Led by authority of Scripture and Lordship of Christ
3. Belong to one another within fellowship of believers in context of church.

C. The Challenge of Narcissistic Tendencies:

1. Things that pull us further into ourselves and farther apart from one another.
2. Patterns of grandiosity, hypersensitivity, and lack of empathy.
3. Extremely fragile self-esteem leading to disruption of interpersonal relationships.
