

**Arrianna Moneta- Class of 2018 (Currently a student at the University of Michigan)**

“ I have been a member of Trinity Lutheran Church since my baptism as a baby, and was fortunate enough to be able to attend Trinity Lutheran School from preschool all the way through eighth grade. Today I am a high school honors graduate and a current student at the University of Michigan where I am majoring in physical therapy. I definitely believe that Trinity Lutheran School helped me reach this academic milestone. Throughout my elementary and middle school years, I was constantly encouraged and challenged at Trinity. The faculty and staff have always been intensely focused on fostering learning.

In addition to the incredible academic aspect, Trinity also planted a seed of faith in my heart that is still growing today. During my time at Trinity, I enjoyed being an active member of the church by singing in the Praise Band and spending time in the youth group. After moving to college, I knew I wanted to keep Christ at the center of my life, and I am very happy to say that I found a very nice small church in my area with like-minded believers.

I am now and will always be thankful for Trinity Lutheran Church and School, because I believe they both did a tremendous job working together to guide me to a strong faith and provided a strong academic foundation.”
