## ABOUT US

At Trinity Lutheran Early Childhood Development Center (ECDC), we are a Christ-centered program dedicated to providing a safe, nurturing, and stimulating environment where every child can grow and thrive.

Guided by our mission of engaging and connecting all people to the love of Jesus, we strive to support the whole child—spiritually, emotionally, socially, and academically.

Our experienced and caring staff are committed to fostering each child's individual development through a balance of play, exploration, and structured activities that encourage curiosity, confidence, and a love for learning.

Each program is thoughtfully designed to support your child's growth, learning, and development in a safe, nurturing, and Christ-centered environment.

## OUR CURRICULUM

All our classrooms implement Creative Curriculum to support hands-on, play-based learning across all age groups.

Our Infant and Toddler classrooms are further enriched with One in Christ, which nurtures early faith development through age-appropriate Bible stories, songs, and experiences.

For our Preschool-aged children, we incorporate Enduring Faith, helping children grow in their understanding of God's love while building a strong foundation for kindergarten readiness.
