

Emily Hill- Class of 2004

“I was incredibly lucky to have had the opportunity to attend Trinity Lutheran School. I was enrolled at Trinity from preschool through 8th grade. Overall it was a great experience. It was very special to be part of a school that is centered around Jesus. I made lifelong Christian based friendships that have shaped me into the person I am today.

Trinity Lutheran School is where I chose to send my own children to get a great education centered around Christ.”
