

**Nathan LaMere Class of 2020 (currently attending PPHS)**

“ Trinity helped me with being able to talk openly on what I believe is right. This helps a lot with presentations and speeches that I have to do in high school.

Also Trinity helped me be confident in myself and in my academics. Trinity also prepared me not to be shy about my religion and about God. I can openly talk about God with others.

In sports, Trinity always challenged me and pushed me to work hard. This helps me in high school, because now I never stop working until I reach my goals.”
