

**Tanner Eubank- Class of 2011 (Bachelor of Science-Business Degree from University of Northern Ohio- graduated Magna Cum Laude.) Coach, Skills trainer and Director of Strictly Skills Basketball Training and AAU Program in Mattawan.**

“I have fond memories when I think back to Trinity Lutheran School. Trinity played an integral role in my academic, athletic, and spiritual development. I was privileged to have superior teachers and training at TLS with very individualized instruction. Athletically, TLS helped to nurture my dreams and prepared me to excel at high school and college levels. Socially, Trinity was a great avenue for me as it led to some great lifelong friendships. Spiritually, I was shown and taught of the firm rock on which to stand throughout my life through the teachings of Jesus and the Word of God. Trinity aided in shaping me into a well-disciplined young man and I am thankful to my parents for the commitment they made to send me there.”
