

## LARCHMONT UNITED METHODIST CHURCH ENDOWMENT PROGRAM

Planning for the Future of Our Church

Our Church circa 1911

Over 100 years ago, a group of Methodist believers in a brand-new neighborhood, which we now know as Larchmont, came together to plant our church. The founders provided for people they never met, for people who hadn't even been born. People like us! What a huge legacy!

Over the years, many of our Methodist forebearers continued to build and impact the local neighborhood and beyond, growing and building as they expanded the congregation and its ability to help the needy, feed the hungry, and grow disciples of Jesus Christ.

Our Church now

While our building serves as the base for all ministry, mission, and outreach activity, it is the faith and active participation of our church family members that “make it happen.”

Now is the time for all of us to actively work together to extend the heritage started in 1911. As we move through our second century, may we strive to bring God’s Kingdom to our earth as Disciples of Christ.

Let’s explore how we can partner to accomplish this vision together.

Our church is launching an Endowment Program for Legacy giving. This is one crucial form of giving that every individual can offer the Church through a thorough Planned Giving portfolio. Legacy gifts are invested in our established professionally-managed Endowment Fund to help provide for church needs in the years ahead.

Legacy gifts into this endowment encompass donations from current assets right now, as well as from wills and trusts in the future after we join the church triumphant. The objective is to generate perpetual funding from the endowment for future generations of new believers at Larchmont UMC. We hope that you will consider being a seed for tomorrow.

We have so much to be thankful for: our families, our friends, our neighbors, and, foremost, the gift of God's son. In turn, we want to help others share in the experience of God's love that we know at Larchmont UMC. This legacy endeavor is one way for you to make that happen.

We are sure that you have questions, and some frequently asked ones follow in the following fact presentation. Our church thanks you for your prayerful consideration of this important step forward for the ministry of LUMC.

The LUMC Endowment Committee
