JESUS HEALS THE TEN LEPERS

Listen to the full episode on the Greybobby Bedtime Devotionals podcast.

OVERVIEW

In this Thanksgiving family devotional from the story of Jesus healing the Ten Lepers, all of Greybobby's friends get sick just before the school's Thanksgiving celebration. A clever doctor helps cure them, but only Betty tells him "thank you," reminding her of the story of Jesus healing the Ten Lepers.

LUKE 17:17–19

Then Jesus answered, "Were not ten cleansed? Where are the nine? Was no one found to return and give praise to God except this foreigner?" And he said to him, "Rise and go your way; your faith has made you well."

WHAT DID WE LEARN?

- In today's story, Betty remembered how Jesus healed ten men who had leprosy.
- All ten were healed, but only one came back to thank Jesus.
- Jesus was pleased that the man returned to give thanks, and Betty wanted to do the same when Dr. Quackenbush healed her and her friends.
- It's easy to get excited about all the good things we receive and forget to thank the One who gives them to us.
- Jesus has given us the greatest gift of all by saving us from our sins.
- That is what Thanksgiving is for: It is a time for us to think...really think of all the things that God has given us that we should be thankful for.
- So let's take a moment this Thanksgiving to truly be thankful for all of God's blessings.

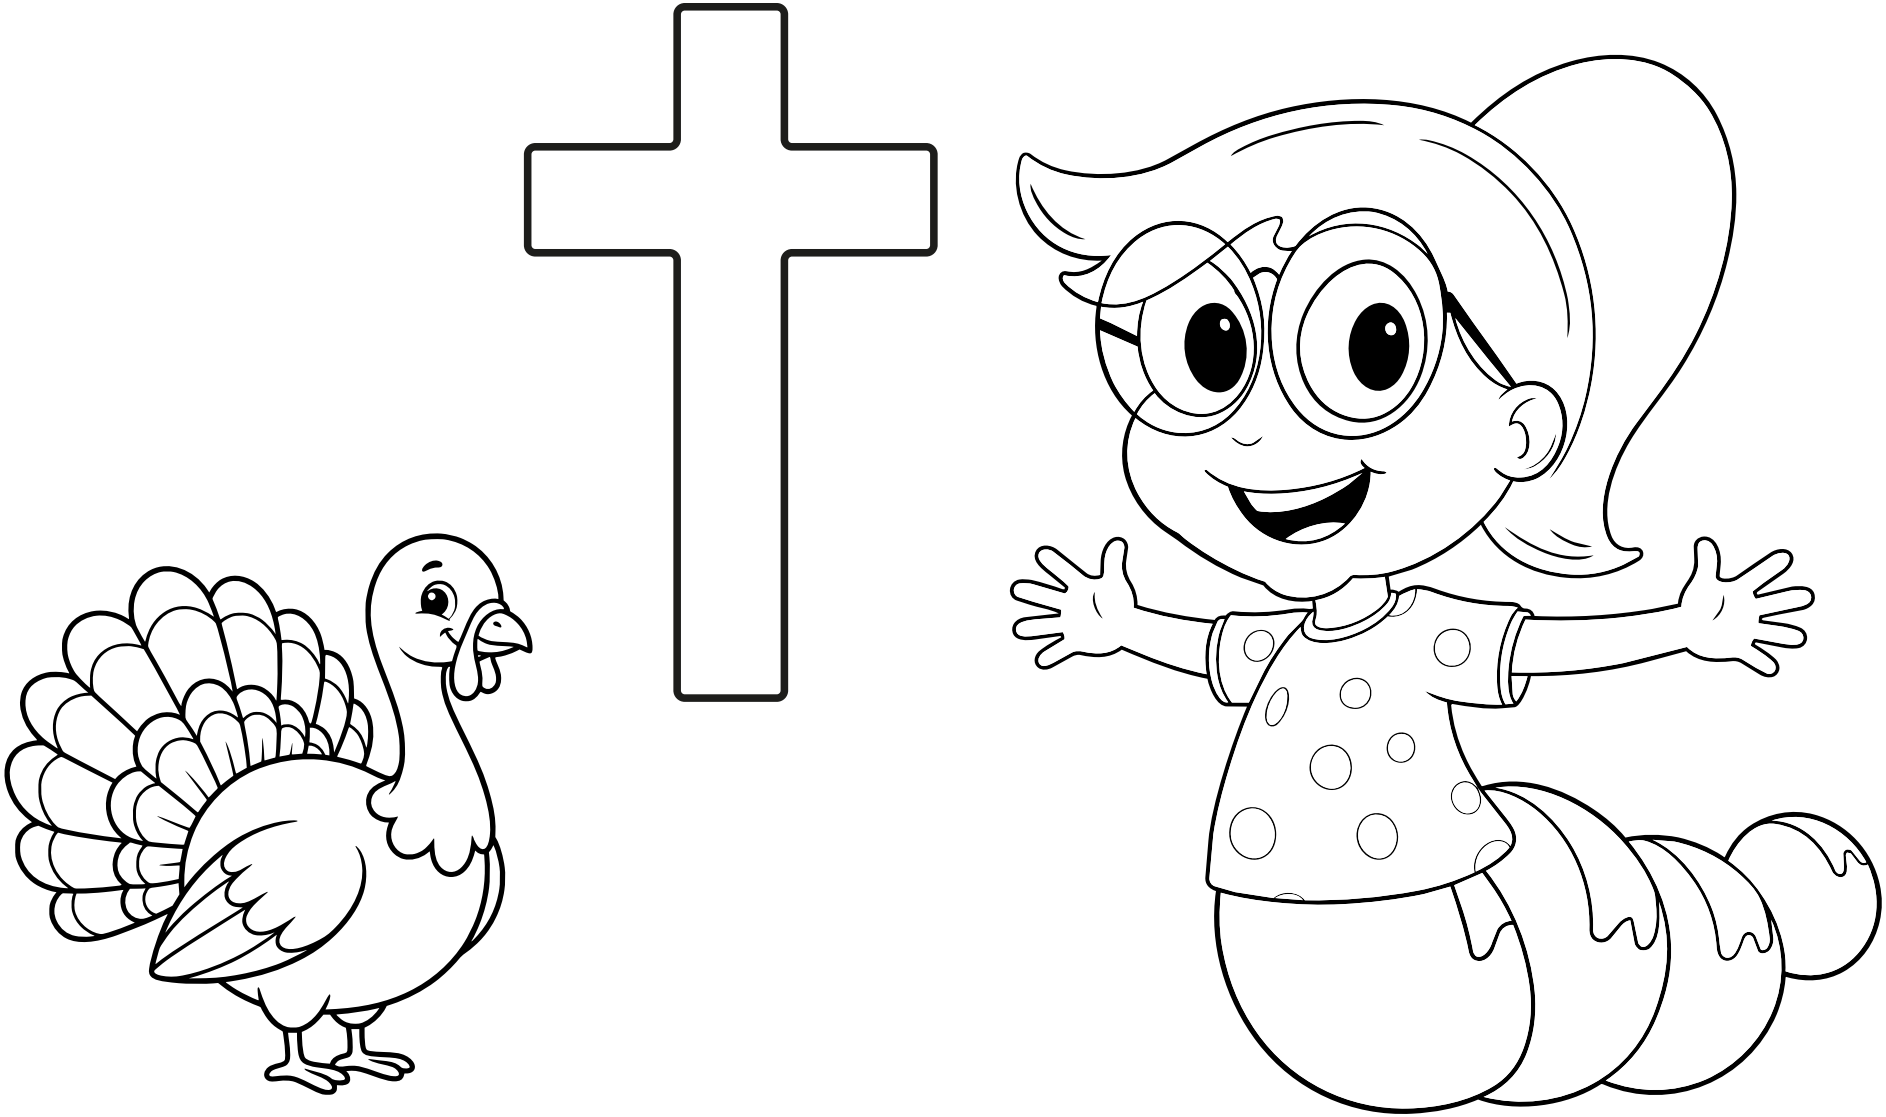

LET'S PRAY

Dear Heavenly Father,
Thank You for sending Jesus to save us from our sins.
Thank You that Jesus showed such love and compassion to the ten men who were sick and healed them.
Help us to be like the one man who came back to thank Him.
Give us grateful hearts that remember all Jesus has done for us and never take His love and blessings for granted.
In Jesus' Name we pray,
Amen.
