PART ONE

I OWE IT

I OWE IT BECAUSE I'VE _____ IT!

Grace isn't something you can **pay back**, it is something you must **pass on**!

I OWE IT BECAUSE SOME _____!

I owe all I have in **Christ** to all who **don't know him** yet!

I OWE IT ENOUGH TO _____!

You might **know** you Owe It... but it doesn't matter until you **Give It**!

SMALL GROUP DISCUSSION

1. What does it mean to be "under obligation" and how does it relate to us as Christians? Do you feel an obligation for Jesus?
2. Who are the groups at your school or in your life you owe the Gospel to? Why?
3. What makes you afraid of sharing the Gospel at school?
4. Why is it easy to share trivial things but not Jesus?

Challenge for the week: Choose one person who doesn't know Jesus and pray for them everyday, look for a way to begin a friendship with them, and maybe find a way to share the Gospel when it feels right!

Application

UNASHAMED 1: I OWE IT

Transition: Those gifts and food and tree... that doesn't belong to the Grinch. But he took it anyway! Not for others... and not really for himself. Just so others couldn't have it! It's messed up! But we are the same if we don't pass on Jesus to others!

I OWE IT BECAUSE I'VE RECEIVED IT!

LEADER: Look at 1:14a again. Paul says, "i am under obligation." Let's start with what Paul doesn't mean! He doesn't mean, Jesus saved me so now I have to pay him back. You can't pay back salvation... you didn't earn it and you can't repay it! So what does he mean? I've been given something amazing... but its not just for me... I have a responsibility to give it to others! Jesus gave you the Gospel to give the Gospel away!

Grace isn't something you can **pay back**, but it is something you must **pass on**!

I OWE IT BECAUSE SOME DON'T GOT IT!

LEADER: Look at 1:14b. The greeks don't have it. The barbarian hordes don't have it. The nerds, the jocks, the preps, the baseball players, the Band kids... they don't have it! But guess who does? I have it!

Illustration: a time you had something and you gave it away to someone who needed it more than you di! (Homeless guy on corner, lady at grocery store who didn't hav \$)

I owe all I have in **Christ** to all who **don't know him** yet!

I OWE IT ENOUGH TO DO SOMETHING!

LEADER: Look at 1:15. Paul is under a spiritual burden, he must tell people about Jesus... and so that's exactly what he does! Paul doesn't just say, "i know I should do it... he says, I'm going to do it... and I'm excited about it." The point... obligation... knowing you should... has to move to action... doing it... or it means nothing!

Illustration: It's that moment when you kind of just get shell shocked! You know you should help or do something... but you are paralyzed by fear! Like the time I...

You might **know** you Owe It... but it doesn't matter until you **Give It**!

Transition: Bottom line, what God has given you isn't just for you! You owe it because you've received it. You owe it because others don't have it yet! And You owe it because as a believer you have to do something! But the one thing we cannot do is be afraid go share the Gospel of Jesus! It's what we do! We must be Unashamed!

Repeat after me: I will.... not be.... ashamed... of the Gospel... of Jesus!

UNASHAMED 1: I Owe It – Intro

Visual Illustration: (Come in carrying massive package) and say, "Okay, I need you to deliver this to someone very important. Will you do it? But you don't do it do you? You take it and you put it in your room... don't you? Yes, you do! And then you forget about it. And then I come back next week and say, "did you ever deliver that package?" And you say, ?.... Nope! You didn't deliver it did you? Why? Because you forgot about it didn't you? You did!. Why are you so forgetful? Probably because the package didn't mean much to you cause it wasn't for you. Is this okay? No. Why? Cause the person who was supposed to get this really, really, really, needed it but you forgot about... cause it didn't mean much to you! (Open it up, its some deoderant...) Say, the 5th and 6th grade boys really needed this. Lol funny joke. Okay!

This semester and next semester our theme is simple! We want you to be unashamed! And so tonight we are starting a brand-new series called UNASHAMED! And over the next four weeks we are going to be talking about something really cool... but hard for a lot of christians. "Standing strong for Jesus." Standing unashamed! Because its one thing to come into this room on a Tuesday night and sing and worship and be cool with Jesus, but its something totally different to be like that at school tomorrow!

Let's just get real okay! We aren't ashamed of Jesus in here! But we might get a little nervous about our relationship with him out there! You know what I'm talking about. Someone says, hey, you... yeah you? Are you one of them Jesus Freaks and you are like... uhhh...hmmm.. what's that over there and then run! And thats why we are going to spend 4 weeks looking at what it looks like for you to live unashamed of jesus! So look with me at our passage for the series and year... its **Romans 1:14-17!**

Tonight we are starting with vs.14! And here's what I want you to leave here with tonight! The ideas that you are under obligation to others to give them what Jesus has given you! Say... I OWE IT! When you hear the phrase I owe it... what does it make you think of? Money, debt! Sure. First, you can't pay Jesus back! Second, you should want to try! You should at least want to deliver his message! You Owe it to someone who hasn't received it yet!

Tell a time when you shared the Gospel with someone and it was hard.

As we watch this video I want you to think hard about this... if someone truly needs what you have... would you hold onto it or give it away
