PART TWO

I WANT IT

I WANT TO _____ MY FRIENDS ABOUT JESUS!

You **talk about** what you **care about**!

I WANT MY FRIENDS TO _____ NEW LIFE

The **Gospel** does what I **can't do**!

I WANT TO BE _____ OF WHAT GOD IS DOING

God can use you to reach a **generation**.

SMALL GROUP DISCUSSION

1. *What is something you love talking about? Why?*
2. *Why do you think it's sometimes easier to talk about our interests than Jesus?*
3. *What does Paul mean when he says he is "eager to preach the gospel"? What did he think would happen?*
4. *Who is one person you would love to see know Jesus? What makes it hard to talk to them about your faith?*

Challenge for the week: Choose one person who doesn't know Jesus and pray for them everyday, look for a way to begin a friendship with them, and maybe find a way to share the Gospel when it feels right!

Application

UNASHAMED 2: I WANT IT

Transition: Okay... that clip is hilarious! But it started with what? Buddy telling anyone who would hear that he was in love! He was willing to take a beating from a very small man... because he wanted to tell everyone he was in love! We should want to tell people about Jesus!

I WANT TO TELL MY FRIENDS ABOUT JESUS!

LEADER: Look at 1:15a again. Paul says, "I am eager to preach." Eager! Not forced, not reluctant, not "I guess I have to." But eager! Eager doesn't just mean "I want to." Its actually the next level of that. It's like... I want to but on steroids! Its the difference between I want to watch the new episode of Ted Lasso, and I want to win a million dollars. So what are you eager to tell someone?

You **talk about** what you **care about**!

I WANT MY FRIENDS TO EXPERIENCE NEW LIFE

LEADER: Look at 1:15b. Where are his friends... in Rome! The people he cares about and wants to tell about Jesus are in a central area! A specific area! Kind of like Danville, or Chatham, or Chatham Middle School, or Dan River High School? Paul's like... the people there... thats who I care about! Who is your crew, where is your crew, that you need to tell?

And then he moves to 1:16. What does he want them to know... the power of the Gospel! The power to change lives. The power to give new perspective. The power to live for something greater than the trivial. Listen... I can tell people about Jesus... but it is supernatural power that brings people to Jesus!

The **Gospel** does what I **can't do**!

I WANT TO BE A PART OF WHAT GOD IS DOING

LEADER: Look at 1:16 & 17. Its for everyone! Thats a movement! Faith in your becomes faith through you! Its a forest fire lit by one tiny match! Before you know it the whole place is on fire! Jesus wants to use you to start a movement! Do you want it?

Illustration: In 1740 revival broke out in America because two men were eager to preach. In 1801 revival broke out because young men and women were eager to pray. Because of this... millions came to Christ. It's time for another awakening!

God can use you to reach a **generation**.

Transition: Paul was eager... not because he had to... but because he wanted to tell people about what? About what he loved and what had transformed him! Listen.. you don't have to share Jesus... you get to share Jesus!

UNASHAMED 2: I Want It – Intro

Visual Illustration: (Have two kids come up and give them a really good piece of Candy) Ask them on a scale from 1-10 how good is it? Ask them, would you tell your friends about this? They say, of course! Why? Because I like it! Because I want to tell my friends about good things! Of course! Now let me ask you something else... did I have to convince you to tell your friends? Did I have to pay you to tell your friends? No! You actually want to tell your friends because you actually like it! That's important! Because tonight we are talking about the difference between having to tell someone something and wanting to tell someone something!

This semester and next semester our theme is simple! We want you to be unashamed! UNASHAMED of Jesus and UNASHAMED of his Gospel! Gospel simply means "Good News." The good news of salvation and eternal life in Christ! Last week in vs.14 we saw that we OWE IT! What's that mean? It means, Jesus has done a great work for us... we owe it to Jesus and others to pass that work to others! To share it with others! We, like Paul, should feel an obligation to share it with our friends. We have to share it! For instance, if you had the cure to cancer and your best friend was dying of cancer... would you feel like you just had to give it to them? Of course. Well if your friend doesn't know Jesus... and you have the cure to death and eternal destruction... shouldn't you also feel like you have to give it to them? You OWE IT to them! You are under obligation to give it to them!

But there's a big difference from having to do something and wanting to do something! We should have both! We should have to do it and we should want to do it! Look again at **Romans 1:14-17**! Notice what he says in vs.15. I am eager to preach the Gospel! In vs.14 he has to do it. In vs.15 he wants to do it! Why?

Here's the catch. Our friends know what we like don't they? Why? Cause we have no problem telling them! Right now I know a lot about Neal Barker... cause we share a lot of the same interests. He loves NFL and NBA, me too! His teams are the Seahawks and Knicks! He loves transformers... so do I! He loves Kanye... I don't! It's cool! That stuff is easy to talk about! So here's the problem... why is that we don't want to tell people about Jesus the same way? We should WANT IT!

Tell a time when you shared the Gospel because you wanted to.

As we watch this video I want you to think hard about this... if you truly love something... don't you want to tell people about it?
