

FROM THE PASTOR'S DESK

And just like that – it's summer! Here we are standing at the beginning of June and all that comes with the summer schedule. It has been a full and fruitful spring, and I am grateful to our Father for all the ways He has worked in and through our church already this year. Lives have been changed. We have seen growth and that is so important. Now, as we look to what comes next, I want to encourage you to stay engaged.

While summer is a time to catch our breath in some ways, it is also filled with opportunities to be involved in different ways. The month of June will hold our annual Dominican Republic mission trip. We have 12 people going to serve the Lord by ministering to the people of Santo Domingo and the surrounding areas. You can play an integral part in what God will do through this effort by praying that God will work in miraculous ways. Pray for safety and boldness for our team and that each will be the hands and feet of Jesus.

June is also the time we send our students to camp. Pray for each student that will go as well as the adult sponsors going with them. Camp is a formative time to step out of the normal routine and focus very intently on Jesus and learning to follow Him more closely. Pray that God will move in mighty ways in each life.

Then we will wrap up the month with Vacation Bible School. Each year we have over 300 children on our campus and in our buildings for a week. Many of these children will have had very little exposure, if any, to faith and Jesus. If you can volunteer to serve in VBS, I encourage you to do so. Pouring into the life of a child is making a difference in their eternity. In fact, I want to challenge each person reading these words to make an effort to serve. Even if you cannot come each day or even if you can't stay all morning, we can use folks with smiles to greet the children and their parents as they arrive. We want children to know this is a safe place where they are welcomed and loved. If serving by being physically present is not an option for you, please commit to pray that God will be glorified in and through each life that week.

Summer is here. May we not grow weary doing what God has called us to do.

Be a blessing,
Brian

IT'S ABOUT THE MOMENTS

#EveryMomentMatters

The blood drive on May 3 at First Baptist Church had a goal of collecting 12 units and collected 24 units of blood. This is the equivalent of 72 lives saved (remember, each whole blood donation can save up to three lives). Thank you for supporting the Coastal Bend Blood Center and saving lives in our community!

Graduating Class !**

From The Library - Book Club

Summertime is a great time to read a good book! Whether you kick back with a book at the beach, sitting on a cruise ship, or in your favorite comfy chair. Come check out new book and a new adventure.

The FBC Book Club: Thursday, June 11, 2026, 2-3pm at Koinonia Homes Friendship Room (a new meeting place, 3113 Ocean Drive).

We will be discussing, *Theo of Golden*, by Allen Levi. A mysterious stranger named Theo arrives in Golden and begins buying portraits from a coffeehouse returning them to their subjects while weaving stories and changing lives. Come and Join Us! (Even if you haven't finished the book and bring a friend!)

Have you read any good books lately? Please share your favorite books and authors, so we can get those in the library. If you have books to donate. We are taking donations! Don't let your books just collect dust. Read them and then pass them along.

One way to share the love of Jesus is to donate paperback Christian books and Bibles to the Book Ministry. There is a donation box outside the Library, Room 231. Checks can also be given for Bibles to FBC prison ministry. Last month we donated a case of bibles with lots of paperback books to the Nueces County Jail. Your donated book may be the only book to point someone to Jesus. Some of the inmates have not read a book in a very long time. Now they have some time, and the inmates were most appreciative!
Stop by the FBC Library and check out a good book.

Library Hours: Tuesday and Thursdays from 9:00 to 4:00 and Sundays from 9:45 to 10:15
