You're invited to
The LGBTQ+ Agenda and a Biblical Response
with Stefan Gustavsson

Sex is an important and powerful dimension of our human existence. Today our view of sex, the body, and love is deeply shaped by the LGBTQ+ Agenda and its origins in the sexual revolution, while the biblical understanding is rejected and ridiculed. Often, the church has been silent on the subject or has gradually adopted the view of secular culture. In this seminar, we will take an in-depth look at both the LGBTQ+ Agenda and the Bible's revolutionary view of sex.

Place: Campus Bible Church - Maple Campus
4710 N Maple Ave, Fresno, CA 93726

Time: Sunday, March 1st
6:00-8:00 p.m.

Speaker: Stefan Gustavsson

Schedule

There will be time made for Q&A

The Sexual Revolution

We will trace the history of the sexual revolution, listen to some of its major thinkers, and analyze the consequences that have followed from the revolution.

The LGBTQ+ Agenda: Culture

We begin our study of the LGBTQ+ agenda by looking at culture's four perspectives of homosexuality, clichés, and incoherent argumentation of the LGBTQ+ agenda.

The LGBTQ+ Agenda: Ethics?

We look at what the LGBTQ+ agenda suggests, where this leaves natural law, and its implications on the human body.

The Bible?

We will dive into the Scriptures to unpack what God's Word says about creation and sin, and how mankind has distorted God's meaning of sex, and where we fit in it all.

Transgenderism

We will discuss the latest movement in the LGBTQ+ agenda, transgenderism and why it is important to understand.

Stefan Gustavsson

Stefan Gustavsson is the director for Apologia – Centre for Christian Apologetics and makes his home in Stockholm. He was the founding General Secretary of the Swedish Evangelical Alliance. Stefan travels widely to do apologetic teaching and training and is often involved in university evangelism and public debates. He is the author of several books on Christian apologetics and the Christian mind and a member of the Steering Committee of the European Leadership Forum.
