Heart & Hands Resources

Angel Babies

Our perinatal palliative care program supports families whose unborn child has been diagnosed with a life-limiting condition, offering support and guidance during pregnancy and ideas for creating meaningful memories. For babies who survive after birth and require special care, we help families embrace their time together and, when necessary, prepare to say goodbye. Our Hinds Kids program is available as a care team for medically fragile babies and children, providing medical, emotional and spiritual support.

Attorney Melissa Proudian

Specializes in attaining Social Security Benefits

Autism Speaks

Autism Speaks is dedicated to creating an inclusive world for all individuals with autism throughout their lifespan. We do this through advocacy, services, support, research and innovation, and advances in care for autistic individuals and their families.

Baby Safe of Fresno

BabySafe of Fresno offers Car Seat Safety Classes to provide you with the necessary tools to ensure your baby is safe and secure in his or her seat. Classes offer trained technicians who will teach you how to make sure your car seat is fitted and installed correctly. Educate parents on the importance of using child safety seats properly. Classes offered in English and Spanish are held at various locations. Call for an upcoming class location.

Black Infant Health

Dedicated to reducing African American infant mortality rates in Fresno. The BIH Program focuses exclusively on empowering Black/African American women by connecting them with the vital care and support needed to promote healthy behaviors during pregnancy and continuing after her baby is born.

Central California Food Bank Calendar

Their mission is to ensure that no one in our community goes hungry. If you are facing hunger, they will serve you with nutritious food and compassionate support. Go to the website and select Find Food to access a calendar of local food pantries. They do their best to keep this calendar accurate and up to date. If a site is not listed as cancelled, it should be up and running.

Central Valley Regional Center

Central Valley Regional Center's mission is to help individuals with intellectual and developmental disabilities, and children at risk, to reach their goals. Their services include assessments, evaluations, programs, activities, and case management, all tailored to meet the unique needs of each person. Our person-centered approach focuses on each individual's wishes, preferences, and goals—covering housing, finances, decision-making, employment, and social connections.

Centro La Familia Advocacy Services

Provides direct advocacy and intervention services to low-income residents. Centro's mission is to empower low-income people to access life sustaining resources and become self-sufficient through education, training and social services. We assist families and individuals through targeted, culturally sensitive and bilingual programs that promote health and wellness, strengthen families, help victims of crime and encourage civic engagement.

City Center

"City Center by Fresno Mission is a comprehensive resource center for individuals and families facing homelessness, addiction, needing food, trafficking, and other crises. It offers a collaborative environment with various non-profit organizations on one shared massive campus. This allows visitors to access critical services, including shelter, healthcare, and job training, all in a single location."

Clovis Senior Center

The Clovis Senior Activity Center Mission is to provide seniors with activities and services to maintain a fulfilling and active life. Clovis Senior Services sponsors a wide range of classes, programs, and activities to promote healthy and independent living for individuals 50 years and older. No membership fee is required for Clovis residents, while individuals living outside the Clovis city limits are required a \$25.00 membership fee per year. Some classes and sessions have a small activity fee and/or registration fee. Also, participants are asked to complete a confidential registration form with contact information in case of emergencies and a liability waiver.

College Pantries

College food pantries offer free food, meals, and sometimes hygiene products to students facing food insecurity, providing support to help them focus on their education. To find a pantry, students should check their college's student affairs website.

Comprehensive Addiction Program

Comprehensive Addiction Program, Inc. is committed to providing evidence-based, outcome-tested treatment in a residential setting for adults battling substance abuse. Our mission is to empower individuals, helping them lead happy and healthy lives. With specialized programs and a commitment to proven methodologies, we create a supportive community fostering growth, healing, and a brighter future for all.

Covenant Eyes

Covenant Eyes' Screen Accountability service with optional Internet Blocking helps protect your family from harmful online influences. Covenant Eyes is a surveillance application intended to help users reduce online pornography use. It tracks screen activity using AI, provides blurred screenshots, and blocks explicit content. Marketed to churches, parents, and individuals, the subscription-based service offers a family plan for \$17 monthly.

Department of Rehabilitation

DOR administers the largest vocational rehabilitation and independent living programs in the country. Vocational rehabilitation services are designed to help job seekers with disabilities obtain competitive employment in integrated work settings. Independent living services may include peer support, skill development, systems advocacy, referrals, assistive technology services, transition services, housing assistance, and personal assistance services.

Divorce Care

Divorce Care is a safe place where caring people come alongside you as you find healing from the pain of separation or divorce. At this 13-week, video-based support group program, you'll find helpful counsel to manage the emotional turmoil and practical tools for decision-making.

Evangel Home

If you're a woman in need of shelter and support, we're here for you. Our program begins with a 30-day stay where you'll receive more than just a roof over your head. We provide warm meals, clean clothing, and caring, one-on-one counseling to help you begin your journey toward healing and hope.

Exceptional Parents Unlimited

Our mission is to guide and strengthen families and children with unique needs through early Intervention and supportive services that cultivate hope and resilience. We primarily work with 0 - 5-year-olds.

Fresno County Department of Behavioral Health

Behavioral health services are available to Fresno County residents. We provide assessment, therapy, medication, case management, crisis intervention, treatment and other support services either directly or through our system of care. These programs are intended to help residents achieve the fullest and most productive life. There are different services for different needs and eligibility criteria.

Fresno Rescue Mission

Serving The Homeless — We provide meals and groceries to families facing hunger. Offering dignity and hope to all who come through our doors. **We are a multifaceted organization providing shelter, recovery, and hope to homeless families, individuals battling addiction, and the incarcerated.**

Fresno State Speech, Language and Hearing Clinic

The basic services offered FREE by the Speech, Language and Hearing Clinic include diagnosis, and treatment for individuals who may experience a variety of different communication problems or disorders, such as autism spectrum disorders, cleft palate, voice disorders, hearing loss or deafness, cerebral palsy, fluency, articulation disorders, post stroke aphasia or language delay/disorders. Clients can self-refer and can live anywhere in the San Joaquin Valley. Services are provided by graduate students under the direct supervision of faculty members or contracted speech-language pathologists. All professional supervisors are licensed by the State of California and are certified by the American Speech-Language-Hearing Association in Speech Pathology or Audiology.

Grief Share

A Grief Share support group is a safe, welcoming place where people understand the difficult emotions of grief. Through this 13-week group, you'll discover what to expect in the days ahead and what's "normal" in grief. Since there are no neat, orderly stages of grief, you'll learn helpful ways of coping with grief, in all its unpredictability—and gain solid support each step of the Way.

Healthy Marriage Coalition

Our goal is to impart practical relationship skills to engaged and married couples, single parents and their children. Classes are six weeks long; two hours per class and are held in Fresno, California. The classes are \$60/couple for the entire class and includes a workbook.

These are not your normal marriage classes. We are male-friendly and help couples learn and use skills to have healthy conversations. Many couples report, after completing a class, that the skills have enabled them to talk about issues that they were unable to deal with before. In these classes, we teach, model, and coach couples to ensure that they know and use the skills in their marriage. This class is also for couples who are engaged or seriously dating.

Help Me Grow (connected with EPU)

Help Me Grow Fresno County (HMG) promotes developmental surveillance and screening and connects families through a centralized access point to community resources, including but not limited to: • Developmental and behavioral screenings/ assessments • Information, resources and materials • Referrals to community services with follow-up (such as referrals to EPU)

Hinds Hospice

At Hinds LifeCare, most patients are seen in their homes or in residential care facilities on any given day throughout Fresno, Madera, and Merced counties. Our hospice interdisciplinary care team includes nurses, home health aides, medical social workers, chaplains, medical directors, spiritual care providers, and counselors who assist with anticipatory grief. Volunteers visit patients where they live, making sure they are as comfortable as possible and providing respite for caregivers. The Hinds LifeCare Center for Grief & Healing is unique in that it serves not only hospice families, but also the community at large with grief support services. Children require different care than adults. The Hinds Kids Pediatric Program provides terminally ill children comfort and quality of life as they navigate this journey. Angel Babies/ Bebitos Angelitos offers a perinatal hospice program designed for families who have received this diagnosis, offering support and comfort during pregnancy, and providing ideas for creating loving memories.

Holy Cross Center for Women

Operated by Saint Agnes Medical Center in downtown Fresno, Holy Cross Center for Women provides diapers and clothing items for women and their children. Assistance with food, material assistance, maternity clothes and baby items, non-profit agencies, and peer-to-peer support.

Job Corps

Job Corps is the nation's largest free residential career training and education program for low-income young adults aged 16 through 24.

LaLeche League

La Leche League of Fresno offers several ways to support **you** on your breastfeeding journey. We offer phone/email support by accredited La Leche League Leaders, and monthly **support** group meetings. Occasionally we offer specialty meetings with enrichment topics and participate in additional community outreach activities.

Lighthouse Recovery Center

We are dedicated to helping women and their children develop new skills, achieve higher goals, and grow in their relationships with one another and with God. At The Light House, women experience a full continuum of care: secure, home-like residence; faith-building Bible studies; mentorship; and vital life-skills training in areas like anger management, parenting, career building, and wellness. Hands-on job training through our Light-WEAR apparel line, Cornerstone Coffee Company, and Ladybug Boutique and Gift equips each woman with practical work experience, helping her transition confidently into the workforce.

Link Care

Link Care partners with mission agencies, local churches, and the broader community to provide clinical counseling and pastoral care for global workers, ministry leaders, and individuals in need. We also offer safe, affordable senior housing that promotes well-being and connection.

Lori Ann Infant Program

The Lori Ann Infant Program of the Fresno Unified School District serves children with special needs from birth to 3 years of age. Children served have disabilities including complications of prematurity, syndromes, serious illnesses, speech, motor and other developmental challenges. Services are provided in the family's home and in the community at no cost to the family. Interpreters are available.

Love, Inc. (24-to-48-hour response time for all inquiries)

Love, INC., programs focus on connecting people with needs to partner churches and provide holistic, faith-based support, often through Transformational Ministries, which include mentorship, classes, goal setting, and emotional and spiritual support. Programs can address a variety of needs, including food, furniture, transportation, financial management, and even help with issues like housing and employment. Re:generation

This is a Biblical 12-step discipleship process, re:generation recovery walks you through the pain, hurt, sin and brokenness in your life, the things you've done and the things that were done to you - so you can begin to experience hope, peace, joy, and a life of purpose. By building community and spending time every day reading and praying - re:generation helps focus our attention on the one who can heal and restore, Jesus.

No matter what you're coming in with: anxiety, eating disorders, depression, pornography, pride, sexual abuse, guilt, anger, codependency, same sex attraction, shame, abortion, adultery, or whatever else - God can restore it all.

Rescue the Children (homeless shelter)

A one-year residential program, plus aftercare - Rescue the Children provides a community that allows women with or without children seeking life transformation to find support through courses in life skills, relapse prevention, parenting, Biblical foundation, career services, case management, and counseling.

Safe Families for Children

Our goals are to keep children safe during a family crisis such as homelessness, hospitalization, or domestic violence in an effort to prevent child abuse and/or neglect. Support, stabilize, and strengthen families facing crisis by surrounding them with a caring, compassionate community. Reunite families and reduce the number of children entering the child welfare system. We seek to be an alternative to foster care, where appropriate. We do this by hosting vulnerable children and creating extended family-like supports for families through a community of devoted volunteers who are motivated by compassion to keep children safe and families together.

Teen Challenge

We offer a variety of outreach programs, and we have a one-year residential drug recovery program for men and women over the age of 18, as well as adolescent boys ages 12 - 17. The one-year adult program starts with a student entering one of our Induction Centers for approximately three months, then transferring to one of two long term centers for an additional nine months. The one-year program is designed to address the physical, emotional and spiritual needs of our students. Over the course of their stay, we provide Christian discipleship classes, individual advising sessions, vocational training, basic computer classes, GED certificate and high school diploma courses and curriculum designed to help each student re-integrate into society.

Titus Men

Titus Men is a group of like-minded Christian brothers with a desire to serve others in an impactful way. We aim to accomplish this by performing small-scale service projects, focusing on helping those who don't have the ability or the means to do the job.

Valley Children's Adaptive Sports Program

The only program of its kind in Central California, Valley Children's Adaptive Sports Program provides free recreational and athletic experiences for children and young adults (up to age 21) with physical disabilities or mobility impairments.

Westcare (drug and alcohol recovery program)

Through our adult residential and outpatient services in both Fresno and Bakersfield, as well as our Adolescent Services outpatient programs in Hanford and Corcoran, we can provide individual and group counseling, education classes, relapse prevention, job assistance and family support services.

WIC (supplemental Nutrition Program)
