HOW CAN FREEDOM PRAYER HELP ME?

"I have been to Freedom Prayer a few times, but the one that stands out the most to me is when the Lord revealed to me that I struggled with a perceived rejection from people, which resulted in a lot of insecurity and fear and it hindered almost all of my relationships to some degree. I knew the Lord wanted to do a big work in me, and I desired true and complete freedom from this heaviness in my life. The women I prayed with created an environment that was safe for me to appropriately grieve the hurts I had experienced, and they helped walk me into the soothing comfort and healing that the Lord had for me. I can truly say that since that time, I have walked in freedom from perceived rejection, and I am much more sensitive to the Spirit in regard to my identity and when I am being attacked by the enemy. The Holy Spirit filled me with His love, joy, peace, and purpose, and I am able to walk it out more fully now."
