We will have a great weekend full of games, worship, message, and small group time. We will also be able to do a challenge course to help with team work and take a fantastic hummer ride to the top of the mountain for an unbelievable picture.

Drop off at the church on Friday February 19 @ 3:30pm and plan to be back on Sunday @ 3:30pm. All food will be served in their on-site cafeteria. The only money they might need is Awanita has a camp store, but we will bring plenty of snacks with us too!
