

CODE OF VALUES

1

EXCELLENCE

Like Daniel, we seek to function in life with an excellent spirit - one that exceeds, excels and juts out over the usual mark.

2

BELIEF AND TRUST

As a church, we are committed to living by faith, and exhibiting optimism and confidence in one another and in our faith community.

3

AUTHENTIC RELATIONSHIPS

We promote the development of honest, godly and healthy interpersonal friendships and partnerships.

4

ACCOUNTABILITY

We submit to one another in love and willingly accept responsibility for our actions. We assist each other in accomplishing our goals and hold one another accountable in order to avoid the pitfalls of life.

5

GENEROSITY

FCC is full of people who give their time, talent and treasure generously. We choose to give intentionally, regularly and sacrificially for the fulfillment of the vision and for the benefit of others.

6

HONOR

We reverence God, esteem those in authority and respect one another without partiality.

7

CELEBRATING ONE ANOTHER'S SUCCESSES

We love to demonstrate genuine excitement for people when they accomplish their goals, achieve some level of success or experience God's blessing in their lives.

6

GRATITUDE AND THANKFULNESS

We choose to live with an attitude of gratitude for all we have received, rather than with an entitlement mentality that does not appreciate the goodness of God and the generosity of others.
