

BEDROCK NEWS

APRIL 2026

Due to the expected rain during the time of our planned Easter sunrise service, we will be adjusting our schedule for the morning. Instead of gathering at Cedar Oaks Farm, we will now host all of our Easter services at the Outpost. We invite you to join us for one of three identical services at our regular times—8:00am, 9:30am, and 11:00am. While we'll miss being outdoors for sunrise, we're grateful for the opportunity to still gather together comfortably and celebrate the hope, joy, and victory of the resurrection as a church family. We can't wait to worship with you and reflect on the good news of Jesus together this Easter!

EASTER

Join us for a special Good Friday service on Friday, April 3rd at 6:30pm at the Outpost as we gather to remember and reflect on the work of the cross. Through song and Scripture, we will walk through the weight and wonder of what Jesus has done for us, fixing our eyes on His sacrifice and love. This will be a meaningful time to pause, worship, and prepare our hearts for the hope of Easter.

We would love for you to join us as we celebrate Easter together at one of our three services—8:00am, 9:30am, or 11:00am at the Outpost. It's always a special morning as we gather to worship and reflect on the hope of the resurrection. Be sure to stop by the lobby and enjoy our Easter photo booth—a great way to capture the day with family and friends! If you regularly attend the 9:30am service, we encourage you to consider joining us at 8:00am to help create space for guests who may be visiting. Also, as you plan your morning, please take a moment to review the parking graphic on the next page for approved off-campus parking locations to help us serve both our church family and our neighbors well.

EASTER

As we welcome many guests this Easter, parking can fill up quickly. We want to serve our community well—not just inside the Outpost, but also by being mindful of our neighbors and local businesses.

Please take a moment to review the color-coded parking map:

- Green Areas: Open for parking all morning (including the post office lot)
- Yellow Areas: Available for the 9:30am service only
- Red Areas: Please do not park in these locations

The lot at Bella's will be used by their customers once they open for lunch after the 9:30am service, so we want to be sure to keep those spaces available.

Thank you for helping us create a welcoming and respectful environment for everyone this Easter!

If you have any questions, feel free to email us at info@bedrockchurch.com.

UPCOMING EVENTS

On Sunday, May 31st, we'll be taking a break from our normal gathering to live out the gospel in a tangible way through Serve Sunday. Instead of meeting for services, we'll come together at the Outpost and then head out into our community to be the hands and feet of Jesus—serving, loving, and meeting needs in practical ways. After our

projects, we'll return to share a meal together as a church family and celebrate what God has done. Serve Sunday is a powerful reminder that the church isn't just something we attend—it's who we are as we go.

On Sunday, May 10th, we'll be celebrating Parent/Child Dedication—a special time for families to publicly commit to raising their children in the truth and love of Jesus. It is also a time for the church body to commit to the family to come along side them. This is an opportunity for parents to acknowledge their dependence on God

and invite the church to come alongside them in prayer and support as they lead their children in faith. If you would like to participate in this meaningful moment, please email Philip at philip@bedrockchurch.com for more information and next steps.

BSM

Bedrock Student Ministry has seen many blessings from the Lord this past month. We have continued being faithful to worship, teaching Scripture, and having fellowship on Wednesday nights. We have had a consistent increase in weekly numbers as well as students who have invited their lost friends to BSM. On March 11th we had a One Night event where many students brought friends and clearly heard the gospel message. We have been challenging our students to step out of their comfort zone and follow Jesus without looking back.

Students need older and spiritually mature leaders in their life to disciple and challenge them in their walk with Jesus. Our Sunday small groups are centered around Sunday morning sermons, where leaders and students look into the book of John. It has been such a blessing to see how this community has thrived. This is how the gospel message will be moved forward, as we disciple others and train them to share their faith. Finally, our Spring Retreat at Watermarks camp is coming up soon on April 10-12th and we are excited! It is weekly that students are being impacted by the gospel and we praise God for it.

WOMEN'S MINISTRY RECAP DESSERTS AND GAMES EVENT

Our Women's Ministry recently gathered for a sweet night of dessert, games, and meaningful connection—and it was so much more than just a fun evening together. As laughter filled the room and friendships were strengthened, the women of Bedrock also came together with a shared purpose: supporting single mothers in our community. Through generous donations, a variety of needed supplies were collected to help care for and encourage these families. It was a beautiful picture of community in action—joyfully gathering, while also living out the love of Jesus in a tangible way.

thefosters4@gmail.com,

This past month, our Home Repair Team had the opportunity to bless someone in our community by building a brand new deck for a family in need. What may have seemed like a simple project became a meaningful picture of what it looks like to be the hands and feet of Jesus through practical service. We're so thankful for the volunteers who generously gave their time, skills, and energy to make it happen. Your willingness to step in and serve made a real impact and put the love of Christ on display in a tangible way—thank you for continuing to care for our community so faithfully!
