DANCE CAMP RECAP

Our Dance Camp was a wonderful week of fun, movement, and faith as girls explored the theme "Believe," inspired by our current Book of John sermon series.

Throughout the week, they learned dances and worshiped through songs that point to Jesus, while also spending time in God's Word and learning more about who He is. It was encouraging to see friendships grow, community form, and so much joy fill the room. A huge thank-you to every volunteer who helped make this camp such a special and meaningful experience for these girls.

UPCOMING EVENTS

Registration is open for ROCK Basketball Camp July 20th–24th from 9am–12pm at the Liberty High School gymnasiums in Bedford for a fun and encouraging week designed for rising 3rd–9th graders, boys and girls. Throughout the week, kids will learn basketball skills, build friendships, and be pointed to the bedrock foundation of Jesus

Christ. The cost is \$40 per child or \$80 per family—don't miss out on this incredible opportunity!

BSM SUMMER CAMPS

SNOWBIRD HIGH SCHOOL CAMP

Our high school students had an incredible week at Snowbird Wilderness Outfitters, where they were challenged to grow in their faith, build deeper friendships, and step away from the distractions of everyday life to focus on Jesus. Through worship, teaching, small groups, recreation, and time in God's Word, students were encouraged to take ownership of their faith and live boldly for Christ. We are thankful for the leaders, volunteers, and students who made the week so meaningful, and we are excited to see how God continues to work in their lives throughout the year.

Our rising 6th-8th graders are heading to Student Life Camp, July 27–31, for a powerful week focused on spiritual renewal and growth. This year's theme centers on good soil, holy pruning, and missional living—helping students understand what it means to truly abide in Christ. As we unpack the parables of Jesus, students will see how God's Word takes root in their hearts, shaping and transforming their lives. Rooted in John 15:5, this week will challenge students to remain in Jesus, embrace the growth that comes through pruning, and step into a faith that produces lasting fruit. Through worship, teaching, and intentional community, students will be encouraged and equipped to live out and share the good news of Jesus with the world.
