What are we doing ?

We are establishing a permanent home in Spanish Springs, north of Los Altos, where Living Stones can faithfully serve our city for generations. Owning our own space gives us freedom to fulfill the gospel mandate—raising pastors and church planters, discipling the next generation, and equipping families. Our future home will welcome 500–1000 worshippers each Sunday and serve as a resource for other churches, ministries, and community partners.

Why are we doing it?

God has called us to root ourselves in Spanish Springs for the future. Renting a school is only temporary, but owning our own space will provide stability for decades to come—room to reach more people with the gospel and a place to raise up leaders and plant new churches. With few churches serving this rapidly growing community, now is the time to establish a permanent presence and invest in a home that will serve Spanish Springs for generations.

How are we doing it ?

From April 2026 – April 2028, we are stepping out in faith together growing as faith-filled disciples embracing and practicing Christ's generosity to us and joining in what God is building **Stone by Stone**.

“AND I TOLD THEM OF THE HAND OF MY GOD THAT HAD BEEN UPON ME FOR GOOD, AND ALSO OF THE WORDS THAT THE KING HAD SPOKEN TO ME. AND THEY SAID, ‘LET US RISE UP AND BUILD.’ SO THEY STRENGTHENED THEIR HANDS FOR THE GOOD WORK.”

NEHEMIAH 2:18 (ESV)

A Letter to Our Church Family

We now stand at a defining moment for our church.

We believe God is calling us to establish a permanent gospel presence in Spanish Springs, one that will serve not only our church today, but generations to come. A home that will anchor our mission of helping everyone find everything in Jesus. A place where the gospel is proclaimed clearly, disciples are formed intentionally, and leaders are raised up and sent out faithfully.

This is not simply about a building. It is about what that building represents: a long-term commitment to this community, a visible witness to the gospel, and a foundation for future ministry. It is about creating a space where outsiders become insiders, where the next generation is discipled, and where the work God has already done among us continues to grow.

We are answering the call to build, not merely a house, but a home, by the grace of God, Stone by Stone. Each family. Each person. Each act of faith contributing to something far greater than ourselves.

We believe this is our moment. Not something to pass on to the next generation, but something to step into with faith and obedience today.

Over the next two years, we are asking every person who calls Living Stones home, and those who will, to prayerfully consider how God would lead them to participate. This is a shared work. A unified step of faith toward something that will outlast us.

We believe that as we take these steps together, God will once again do more than we could ask or imagine, not simply in providing a place, but in shaping the future of Spanish Springs by rooting the city and the people God loves in Christ. **Let's go! Let us rise! Let's build!**

Hidden behind the cross,

Pastor Mark

Why We're Giving

A PLACE TO CALL HOME

Jonathan: “Having our own place—a place to call home—where people can come, meet Jesus, and find family.”

Ellie: “It’ll feel more like home—with space for groups, Bible studies, and community during the week.”

FAMILY + COMMUNITY

Jonathan: “We’ve found family here—and that’s what we want others to find too.”

Donica: “I’m looking forward to having roots—a place where the community knows we’re here. When I come here, it’s not strangers—it feels like family.”

GROWTH + IMPACT

Ben: “A building opens the door for new ministries, new groups, and new opportunities for people to get connected.”

Jacob: “We want to see new faces come in, feel welcome, and find a place to belong.”

NEXT GENERATION

Jonothan: “I’m excited for a place where our junior high and high school students can meet every week.”

Ben: “Kids ministry is huge—having a building is going to make a big difference for them.”

What Are We Asking For?

We are asking every person and family at Living Stones to join us in three ways:

PRAY — Ask God to provide for His church and strengthen our faith as we walk forward together.

CELEBRATE — Champion this goal with joy, encouraging one another and celebrating what God is doing.

GIVE — Commit to sacrificial generosity above regular giving, investing in a gospel home that will serve our community and future generations.

GOAL: 3 million over the next 2 years!
