## Cell Phones //

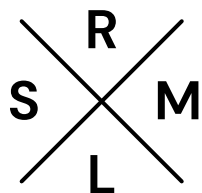

This is a **phone-free camp**. If brought, phones will be kept in Ziploc bags in a box stored with the Camp Director and given back to students by their drivers on the way home.

Counselors will be available to take pictures for your students. We will also have a professional photographer taking plenty of photos and videos. You can also always send your students with a camera, as well!

## Medications + Illness Prior to Camp //

All medications (prescription + OTC) for students must be turned in at check-in before departure. Bring them at check-in in a *labeled* Ziploc bag, in the original containers, ready to be collected. Medications will be handled and dispensed by our licensed Camp Nurse.

Please be considerate of others and *stay home from camp* if you become ill the week prior to camp. Refunds will be discussed case-by-case.
