Joseph Forgives His Brothers

I am Joseph your brother, whom ye sold into Egypt. Now therefore be not grieved, nor angry with yourselves, that ye sold me hither: for God did send me before you to preserve life (Genesis 45:4–5).

Domestic Mission Fund Envelopes (Sowing a Seed):

We are making a shift this year from our usual turkey baskets. Our Domestic Mission Fund—the missionary fund we rely on to help visitors, church members, and anyone facing a hard time—is completely empty. Instead of just one basket, we want to refill our account so we can help people all year long. We are asking every household to sow a seed this season, and we'll be running this fund drive once a quarter moving into 2027. Let's build our capacity to give back. Envelopes are available today.

Happy Anniversary

Kauro and Yazueen King

It recently occurred to me that I have not sufficiently expressed my gratefulness for the dedication and sincerity of the cast and crew of the anniversary production of *The Faithful Ones*. You were excellent, and your "faithfulness" in honoring our church's wonderful history was beautiful. The audience was blessed, and I feel those who went before us are smiling down on us with approval as we march toward the next 100 years' anniversary.

Thank you so very much, Sis. Shirley Gregory

HEALTH TIPS

November is Diabetes Awareness Month

(see the insert titled "Understanding Diabetes")

And

Movember, Men's Health Awareness Month

Twenty-two years ago, we started Movember with a simple idea: get a few mates to grow moustaches and start a serious conversation about men's health that no one else was having. Today, that idea has grown into a global men's health movement, and those moustaches have funded more than $1.8 billion in prevention-focused work across mental health and suicide prevention, prostate cancer and testicular cancer.

At its heart, Movember has always been a grassroots, community-led movement. It belongs to everyone who grows, donates, shares and participates. And what unites us all is simple: men are dying too young, and that's not good enough.

That's why we partner year-round with communities, researchers and governments to back what works and help men live healthier, longer lives. Because when men and boys are healthier, everybody wins.

"Father, teach my heart to rest in Your hands. Let my trust bloom like a flower in Your light, and may my faith stand firm through every storm. Amen."
