 **NorthSide**  
BAPTIST CHURCH

## *North Side Family,*

I can't tell you how humbled and honored I am to be your pastor. In the past two plus years, we have seen God do so many amazing things in and through North Side Baptist Church. Of course, this is not unusual. For more than 125 years, God has used North Side to have Kingdom impact in our community, county, state, and around the world. We have seen lives transformed, families healed and encouraged, and many grow in their faith. We truly are a church *"leading every generation toward a fully-formed life with Jesus."*

Whether you have been on this journey with us for many years or have recently joined the family at NSBC, you have probably noticed the incredible growth that God has brought over the past few years. We have seen a tremendous number of new members and many who have come to faith in Christ for the first time. We have also seen the multiplication and growth of our Core Groups and the start of a second campus at Spring Creek, providing an opportunity to reach the southern part of the county. Of course, this growth is an incredible blessing but also brings with it some new challenges.

Therefore, we are entering into a new phase in our history, and I believe that God is calling us to steward this season well. There are many property and ministry-related needs that must be addressed in the coming months and years. Faithfully meeting those needs will take all of us seeking God's will together and doing what He is calling us to do. But is this even possible? Let me respond by saying enthusiastically, yes! If we trust in the abundance of our Lord, are faithful to His calling, and are obedient to follow Him every step of the way, I believe that He will bless us in ways that we have never seen. So, I want to challenge you to be faithful in this season. Remember, *"giving is a part of growing, because stewardship is a part of discipleship."*

*"Now to him who is able to do above and beyond all that we ask or think according to the power that works in us—to him be glory in the church and in Christ Jesus to all generations, forever and ever. Amen."- Ephesians 3:20-21 (CSB)*

# HOW CAN I HELP?

## PRAYER SUPPORT

Pray! It is imperative that we cover this whole campaign in prayer. We will be encouraging everyone to participate through times of prayer and fasting over a 40-day period. Also, there will be information about how you can join an intense 24-hour prayer vigil.

## FINANCIALLY

We ask people to prayerfully discern giving outside their normal tithes and offering in both of these ways:

- A one-time “first fruits:” This is giving that is available immediately.
- Pledges: These are monthly pledges to provide support for a three-year period.

## SPREAD THE WORD

# FREQUENTLY ASKED QUESTIONS

## **Why are we launching this campaign, and why is it called God's Abundance?**

As we've studied Nehemiah over the past few weeks, we've recognized the truth that *God is an abundant God and calls His people to live out of His abundance for His glory and the good of others.* The significant growth we've experienced over the past several years, along with the exciting opportunities the Lord has placed before us, has created the need to raise capital to address these projects comprehensively.

**When does the campaign begin and what is its purpose?** The campaign begins on Sunday, January 18th, with 40 days of prayer and fasting, and will conclude with a celebration on Sunday, March 29th where totals will be announced. The purpose of this campaign is to raise funds to complete a variety of projects, including enclosing the pavilion at the college building, additional Worship Center parking, upgraded transportation, interior remodel projects to provide space for growing ministries, and the 2026 operating budget for the Spring Creek Campus (staffing, campus improvements, etc.).

**How much will the improvements cost?** We are in the design phase for most of the improvements and will soon receive a precise bid for each. Our estimated improvement costs range from \$4M to \$5M, depending on timing and market conditions. Any funds not needed for projects will be used to reduce our debt.

**How will the funds be raised?** The primary channel will be a church family portion of "God's Abundance." Each member of our congregation will be invited to join a prayer journey and prayerfully consider how we might participate financially. Congregational pledges will be received on March 22nd. This is a step of faith, and we all get a front row seat to watch the Lord bless. Additionally, we are planning an alumni emphasis that will invite friends and family connected to NSBC to help us reach our goal.

**If I decide to give, how long would I be making this pledge?** The duration of the campaign will be three years; however, donations may also be made as one-time or annual gifts.

**What if my financial situation changes after I make my commitment?** We understand that the future is unknown. If your situation changes, you and your family will determine the most appropriate response, either to reduce your commitment or increase it if the Lord provides. Because this is a commitment between you and the Lord, we trust you will prayerfully work through it with His guidance.

**Will I get a tax receipt for my donations?** Yes, all funds donated to the "God's Abundance" fund will receive the same treatment and tax receipt as any other NSBC donation.

# FREQUENTLY ASKED QUESTIONS

**How can I help with or fully participate in this?** We ask that you join us in prayer, as the Lord is the one who will ultimately provide for His church. Although prayer is not the only thing we will do, it must be our first commitment and highest priority. We hope that you will join us by signing up for one or more days of our “40 Days of Prayer and Fasting” emphasis. This 40-day event begins Monday, January 19th, and continues through the end of February. We will also host a “24-hour Prayer Vigil” on February 27th & 28th, giving you another opportunity to join us as we seek the Lord in prayer. More information on the Prayer Vigil will be coming soon!

**Can my employer match my gift if they have a matching program?** The business would receive a donation receipt for tax purposes, the same as an individual donor. However, you should review your employer’s requirements for matching funds to confirm eligibility. We are happy to assist however we can.

**Can I donate non-cash items directly (stocks, property, etc.)?** Yes, please contact the church office, and they will make the appropriate connection. We encourage you to contact your tax professional to learn about the tax benefits of these types of gifts.

**Is this commitment/pledge in addition to my regular giving?** Yes. We’re asking that any pledge for the 3-year period be in addition to your regular giving. We use the General Operating Fund, where your regular tithes and offerings are placed, for the day-to-day operations of the church. The funds pledged for “*God’s Abundance*” will be placed in a separate fund to be used solely for the purposes listed above.

**Where can I get further information about the *God’s Abundance* campaign?** Pastor Jim and the Executive Team will be visiting several small gatherings between January 26th and February 9th, so you can learn more about the program and projects and ask any questions you have. We will share the location and times for these gatherings through the bulletin, email, and Core Group leaders. If these opportunities don’t work for you or you would like to talk with someone one-on-one, please feel free to contact Pastor Keith by email at [keith@nsbcweatherford.com](mailto:keith@nsbcweatherford.com).
