

SCHOOL *of* MINISTRY

EST. 2023

Introduction

Beginning Tuesday, September 29, 2026, Calvary Ellensburg will be offering an intensive course for those men & women that desire to grow deeper in their understanding of scripture and deeper in their exercise of ministry here at Calvary Chapel.

This school is for those who desire to be used in greater ministry in Jesus' Church. Our School of Ministry will have a duration of THREE separate 8-week modules that will make for a TOTAL of 24 sessions. You can sign up for just one module (Fall, Winter or Spring) or register for all three modules at once.

School Requirements

This School of Ministry course that you are embarking on requires time and effort. It will require your full dedication and attention, which means that you will need to re-prioritize things in your personal life. The sacrifices you make during this time will reap an eternal reward! You are about experience, in a new and powerful way, the work of God's Spirit in and through your life. We simply ask that you would set aside those things that might impede you from finishing all the required sessions and their scheduled assignments.
