Connect With One Another

- **Icebreaker:**

Share about a time when someone was generous with you. Who was it, and what happened?

- **Sermon Question:**

Was there an area of your life where you felt particularly challenged by the sermon?

Look at the Scriptures

- After reading **Galatians 1:3–6**, how would you describe the problem Paul is addressing in the church in Galatia, in your own words?

Apply to our Lives

- How would you define “legalism” in your own words? Why is it important for us to be aware of this common practice in different Christian circles?
- Have legalism, man-made rules, or misinterpretations of biblical passages ever affected the way you relate to God? If so, how? Tell a story about it!
- **Galatians 5:6** reminds us that faith expressed through love is what matters. How does this understanding help you rest in God’s grace rather than in your own performance?

Pray for One Another

- Pray through **Titus 2:11–14**, asking God to shape you more and more through His amazing grace.
