Mark 9:42–50

## Connect With One Another

- **Icebreaker:**

If we asked a good friend of yours, what values would they say you most live by?

- **Sermon Question:**

What did you enjoy most about this Sunday's sermon?

## Look at the Scriptures

- In **Mark 9:42–50**, why does Jesus use such extreme language? What is He trying to warn us about in this passage?

## Apply to our Lives

- In your experience as a believer, what sinful attitudes or behaviors have you seen cause others to stumble in their walk with God?
- Is there an area in your life where you're currently struggling that could potentially cause others to stumble in their walk with God?
- What is one practical step you can take to deal with that sin, or to help others in an area that could become a stumbling block for other believers?

## Pray for One Another

- Spend time praying for one another's needs, and ask God to increase our awareness of the seriousness of the life of a disciple.
