## Connect With One Another

- **Icebreaker:**

What is one thing you are looking forward this month?

- **Sermon Question:**

What do you remember most from Sunday's message?

## Look at the Scriptures

- In **Mark 11:1–11**, we see three different responses to Jesus and His mission. Why is it important to recognize these different responses as Jesus enters one of the final stages of His earthly mission?

## Apply to our Lives

- As we've studied the book of Mark over the last eighteen Sundays, what has been your biggest takeaway for your life?
- This series was all about what it means to follow Jesus. In what specific ways did this sermon series encourage or challenge you in your pursuit of following Him?
- Looking ahead, what is one specific way you want to respond to what God has taught you through our study of the book of Mark?

## Pray for One Another

- Pray for one another to be encouraged and to faithfully follow Jesus with a posture of humility, sacrifice, and service.
